The following announcement of the death of ex-President Fillmore was made yesterday by the President:

EXECUTIVE MANSION,
WASHINGTON, March 9, 1874.

It is with deep regret that the President announces to the People of the United States the death of Millard Fillmore, late President, who died at Buffalo, New York, this morning.

The long continued and useful public service and eminent purity of character of the deceased ex-President will be remembered beyond the days of mourning in which a nation will be thrown by the event which is thus announced.

As a mark of respect to his memory, it is ordered that the Executive Mansion and the several Departments at Washington be draped in mourning until the close of the day on which the funeral shall take place, and that all business be suspended on the day of the funeral.

It is further ordered that the War and Navy Departments cause suitable military and naval honors to be paid on the occasion to the memory of the eminent citizen whose life is now closed.

U. S. GRANT.

By the President:
HAMILTON FISH, Secretary of State.

TIME OF INTERMENT.

BUFFALO, March 9.—The funeral of ex-President Fillmore will take place on Thursday next at 2 p. m. The funeral programme has not yet been arranged. Buffalo is draped in mourning. All the courts, the board of trade, banks, are adjourned, and flags are flying at half-mast from public and private buildings.

ACTION OF THE NEW YORK LEGISLATURE.

ALBANY, March 9.—The Governor sent to the Legislature to-night a communication announcing the death of ex-President Fillmore, and recommended that Senator Magee be asked to act as President pro tem. of the Senate, and that a committee be appointed to notify the surviving relatives of the deceased that Senator Magee has been asked to act, and will endeavor to secure the most fitting manifestation for the San Francisco steamer.

The Committee on Ordnance has agreed to report a bill for the erection of a monument to the memory of the Pilgrim and Virginian islands, on condition that Senator Magee shall be asked to contract the carvings in the senate.

Resolutions were introduced in the Senate and Assembly to-night
