PROPOSALS FOR MATERIALS TO BE SUPPLIED TO THE NAVY YARDS UNDER THE COGNIZANCE OF THE BUREAU OF CONSTRUCTION AND REPAIR.
NAVY DEPARTMENT,
BUREAU OF CONSTRUCTION AND REPAIR,
WASHINGTON, D. C., April 15, 1874.
Sealed proposals to furnish Timber and other materials for the Navy for the fiscal year ending June 30, 1875, will be received at this Bureau until 12 o'clock m. of THURSDAY, May 7, 1874, at which time the bids will be opened.
The proposals must be addressed to the "Chief of the Bureau of Construction and Repair, Navy Department, Washington," and must be indorsed "Proposals for Materials, &c., for the Navy," so that they may be distinguished from ordinary business letters.
To prevent confusion, and facilitate the opening of the bids, parties bidding for supplies at several yards should place the proposals for bids in separate envelopes for each yard, indorsed outside with the name of the yard for which the bid is made.
Printed schedules for such classes as parties deal in and intend to bid for, together with instructions to bidders, giving the forms of proposal, of guarantee, and of certificate of guarantors, with printed forms of offers, will be furnished to such persons as desire to bid, on application to the Commandants of the respective Navy Yards, and those of all the yards as regards the class they deal in.
The Commandant of each Navy Yard, and the purchasing Paymaster for each Station, will have a copy of the schedules of the other yards, for examination only, in order that persons who intend to bid may judge whether it is desirable to make application for any of the classes of those yards.
The proposals must be for the whole of a class, but the Department reserves the right to reduce the whole class, should the interest of the Government require it, before the execution of the contract. All applications for information, or for examination of samples, must be made to the Commandants of the respective Navy Yards.
Bids or offers will be received only from parties who are bona fide dealers in, or manufacturers of, the articles for which they bid.
Sureties in the full amount will be required to sign the contract, and their responsibility must be certified to the satisfaction of the Navy Department.
As additional security twenty per centum will be withheld from the amount of the bills until the contracts shall have been completed, and fifteen per centum of the amount of each bill, approved in triplicate by the Commandant of the respective yards, will be paid by the Paymaster at the station designated in the contract, or, if none is specified, by the Paymaster of the station nearest the yard where the goods are delivered, within ten days after the warrant for the same shall have been passed by the Secretary of the Treasury.
