—A horse belonging to F. P. KNIGHTS OF THE GOLDEN CROSS.

Session of the Supreme Commandery—Organizing for Business.

The Supreme Commandery, United Order of the Golden Cross of the World, began its third annual session at Washington Hall, Capitol Hill, yesterday afternoon. The Commandery was in session nearly four hours. The attendance was full.

The following officers were present at the opening of the session: Maggie P. Morgan, P. S. C., Knoxville, Tenn.; Dr. J. H. Morgan, S. C., Knoxville, Tenn.; E. W. Adkins, S. K. R., Knoxville, Tenn; William Wood, S. T., Knoxville, Tenn.; George B. Staddan, S. H., Nashville, Tenn.; Addie Wood, S. W. I. G., Knoxville, Tenn.; R. A. Brown, S. W. O. G., Knoxville, Tenn.

The following were the original delegates present: D. H. Weaver, Knoxville, Tenn.; W. Cooper, Knoxville, Tenn.; G. W. Henderson, Kingston, Tenn.; Mrs. M. F. Adkins, Knoxville, Tenn., and Rev. Isaac Emory, Knoxville, Tenn.

New delegates were admitted as follows: Massachusetts—R. B. Graham, of Somerville, Past Grand Commander; Joseph H. Morgan, of Lawrence, and Dr. D. Wilson, of Boston. New Hampshire—John S. Haines and N. S. Whitman. Pennsylvania—Albert W. Rossiter, of Pittsburg. New York—Rev. W. C. Steele, of Brooklyn. District of Columbia—Seth L. Clark, Past Noble Commander of St. John's Commandery, and A. M. McBath, from Good Will Commandery.

The Supreme Commander, Dr. Morgan, read his report, which shows the growth of the order to have been rapid and healthy. A certificate insurance was recommended, also legislative protection of the order from liable exposure to fatal epidemics, and certain changes in the laws as have been necessary.

There have been thirty-eight subordinate and three grand commanderies organized during the year.

The following standing committees were appointed: Committee on laws—J. C. Flanders, L. Wilson, and A. M. McBath. Committee on returns—N. S. Whitman, D. H. Weaver, and Addie Wood. Committee on appeals and grievances—J. S. Haines, A. M. McBath, and R. B. Graham. Committee on mileage—Isaac Emory, Joseph H. Morgan, and A. W. Rossiter. Committee on new business—William C. Steele, Seth M. Clark, and Mary F. Adkins. Committee on distribution—L. H. Weaver, A. M. McBath, and G. W. Henderson.

A resolution was adopted fixing the hours for the daily session at from nine to twelve a. m. and from two to five p. m. The commandery then adjourned until this morning. The United Order of the Golden Cross was instituted July 4, 1876, at Knoxville, Tenn.

This is a temperance order, with an insurance feature of $2,000 for every full-rate member and $1,000 for every half-rate member. No order ever instituted, that has connected with it so many beneficial features, has ever had a more successful growth than the Golden Cross. The Supreme Commandery will probably be in session three or four days. The only absentees are the delegates elected from Maine and Rhode Island.

The Washington Art Club.

The annual distribution of the Washington Art Club took place last evening. There were half a dozen or more pictures on the walls competing for the prize offered by the club, not for the best picture, but for the picture chosen by the fortunate associate who drew the lucky number. Mr. C. S. Noyes was the lucky man and the picture chosen was "November Day Near Arlington," by Max Weyl. The annual election for officers occurred at the last business meeting, when the following were chosen to serve the coming year: President, W. W. Corcoran; vice-president, Thomas Wilson; secretary, J. M. March; treasurer, W. G. Newton; executive committee—Mrs. V. R. Hoxie and Messrs. E. H. Miller, E. F. Andrews, E. C. Messer, and Max Weyl; committee on art school—Messrs. Ed. Seibert, F. J. Fisher, and A. Collin, Mrs. S. M. Fassett, and Mr. E. P. Spencer.

At the close of the meeting a very handsome portfolio of sketches was presented to Mr. Thomas Wilson, the enthusiastic vice-president of the club, by the city artists, as a token of appreciation of his indefatigable labors in behalf of the club. The very delightful social ending of the business meeting will long be remembered by the favored few who participated in it. A beautiful poem by Mrs. Nealey, entitled "Effort is Nobler than Success," read by Mr. Wilson, was received with hearty applause.

Strawberries at E Street Baptist Church.

The Sunday-school room of the E Street Baptist Church presented a brilliant and animated scene last night, the occasion being the opening of a strawberry festival and bazaar by the ladies of the church. The room was handsomely decorated with flags and bunting and tastefully set off with pictures and paintings. The stands and tables, with the flower-stand for a centre-piece, were arranged around the room and were artistically dressed with fancy goods and confections. Mesdames C. P. Bergman and H. E. Guest and Misses F. Nimmo, E. Poler, and Ella Young were in charge of the flower-stand; Mesdames E. W. Denison, M. M. Mason, C. F. Gilmore, R. T. Bartlett, F. W. Vaughn, M. L. Rouse, A. C. Richards, A. H. S. Davis, A. E. Smith, —— Bruce, and J. S. Hatch, and Miss E. J. Rothwell in charge of the ice-cream table; Miss Nellie De Land and Mesdames B. W. Holman and W. Smith managed Jacob's Well, and Mesdames J. H. Larcombe, F. S. De Land, R. S. Parks, and E. Shuffle, and Misses F. Lake, S. Sherid', and J. Richards had charge of the fancy table. There was a large attendance. The festival will be continued to-night.

THE PUBLIC SCHOOLS.

Considering Plans for the New School Buildings.

After Some Discussion the Subject is Laid Over—A Memorial from Residents of Le Droit Park—The Examinations in the Colored Schools—A Change in Arrangement of Closing Days.

Meeting of the Board of Trustees.

The Board of School Trustees met at the Franklin School building last evening, Mr. Curtis in the chair and Mr. J. H. Brooks secretary. The committee on buildings and repairs submitted their report on the plans for the new school-houses authorized to be built by act of Congress. It states that the plan of Mr. P. J. Lauritzen was entitled to the reward, and recommends that it be used in building the new houses, with some modifications suggested by the committee.

Mr. Lovejoy, from the committee on course of study, submitted a report approving the introduction of the plan to have a common hall for study, with adjoining rooms for recitations, in buildings having schools of grades 6, 7, and 8, and recommended that in one of the new school buildings this plan be followed, and that the superintendent of schools be instructed to prepare a detailed statement of the arrangements necessary to carry out the plan.

Mr. Madison Davis submitted a minority report, in which he dissented from the views of the other members of the committee, and urged that if the experiment was to be tried it should be made in some building already erected. The reports were discussed at considerable length, nearly every member of the board participating, and finally laid over. The application of Miss Mollie B. Palmer for a position as teacher was read and filed.

Mr. J. H. Brooks, from the committee on buildings and repairs, made a report, recommending that Mr. Middleton, owner of the property corner First and Pierce streets, be requested to inform the board upon what terms he would erect a building suitable to school purposes on that property. The report was adopted and recommitted to the committee, with full power to act.

Mr. T. A. Lambert presented a memorial, signed by a number of citizens residing at Le Droit Park, asking that one of the new school buildings be located in the second instead of the third division.

Mr. Lambert then offered a resolution "that the board reconsider the resolution whereby the third district was designated as a site for one of the proposed school buildings, and that the second division be substituted therefor." A discussion ensued, after which the subject was postponed until the next meeting.

Superintendent Cook submitted his report of the spelling examination in the colored public schools, which shows 6,012 pupils enrolled and 2,430 examined. A summary of the results states that the percentage examined of number enrolled was 40.4 per cent.; present, 98.2; number examined, 2,387; absent, 43; number of classes examined, 76; number of classes having pupils absent, 47; average percentage of correct spelling, third grade, 69.6; fourth, 67.8; fifth, 74.1; sixth, 85.7; seventh, 88.8, and eighth, 68.2; total average, 73.3.

Mr. W. H. Smith submitted the following changes of programme in the closing days of the colored schools: June 11, eighth grade, Eastern, 2 p. m.; Western, 3 p. m. June 12, Stevens and Miner, 9 a. m.; Sumner, 1 p. m. June 13, fifth subdivision, Chamberlain, 9 a.m.; high school, 1 p. m. June 16, second subdivision, Tenth street, Fourth and L streets, Third street, and Franklin street, 9 a.m.; J. F. Cook, 1 p. m. June 17, third subdivision, Lovejoy, 9 a. m.; Lincoln, 1 p. m. June 18, fourth subdivision, Anthony Bowen, 9 a. m.; Randall, 1 p. m. June 19, 1 p. m., exhibit of drawing, map-drawing, and penmanship, to be held in the Sumner building.

Mr. W. S. Rhees moved that the schools be closed on Decoration Day. Agreed to unanimously.

A motion of Mr. Holland that the report of the majority of the committee on the course of study be laid on the table was disagreed to, after which the board adjourned.

Police Court Paragraphs.

The trial of Felix Desfosse on a charge of selling light-weight bread, after numerous postponements, began before Judge Snell yesterday. The defense placed Mr. J. F. Havenner and the foreman and drivers of Mr. Desfosse on the stand to testify as to the shrinkage in the weight of bread after it was baked. The court, however, held to first principles, and, as there were twenty-one loaves in controversy, the fine imposed was $42. An appeal was noted.

Jackson, alias Andrew Williams and Frank Lewis, alias William Denney, two colored chicken thieves, were sent up to the grand jury under $500 bonds for breaking into the summer kitchen of Mr. W. H. Minnix last Friday night and stealing thirteen valuable fowls. The stolen property was found in the possession of the culprits, and altogether a clear case was made out against them.

John Gillen yesterday morning wanted a beer and went into the saloon of Henry Streitberger, on Eighth street, near E, to get it. After disposing of the liquid John espied a watch and chain belonging to the proprietor, which he appropriated just for fun and went off with it. Henry did not relish such "pleasures," and had John arrested and taken before Judge Snell. After explanations on both sides the court ordered the watch and chain to be restored to the rightful owner and released Gillen on personal bonds. A large number of friends accompanied the parties out of court, and a fresh keg was tapped at the nearest saloon.

Avoid Fraudulent Imitations.

The many imitations of a good thing are the best evidences of its worth. No one ever saw a counterfeit note on a busted bank. So the imitators in plan and policy of the celebrated Louisiana State Lottery Company make a flourish in a way calculated to attract some notice; but ten years' practical test has proven that this institution has always fulfilled its promises to the letter, and many hundred thousands of dollars have been distributed. For further information apply to M. A. Dauphin, P. O. Box 692, New Orleans.

CITY ITEMS.

BURNETT'S Cocoaine, a valuable hair restorative.

THERE is no excuse for those who drag their weary and disordered bodies into our company, when a few doses of Ayer's Sarsaparilla would cleanse their murky blood and restore their health and vigor. Ye muddy victims of bilious disease, have some regard for your neighbors, if not for yourselves.

WHAT intense pain is caused by tooth-ache. How many sleepless nights and weary days are due to its racing influence. Yet the true cause of all this torment is decayed teeth, produced by neglect and inattention. Could only those who have at present good, sound teeth fully realize this fact, how careful would they be to keep their teeth in good condition. To all such we will give a word of advice. Clean your teeth daily with a good dentifrice, such as THURSTON'S IVORY PEARL TOOTH POWDER. It will preserve your teeth through life, remove all tartar or extraneous matter, keep them clean, sound, and white, and tooth-ache, with all its horrors, will be unknown. Sold by all druggists, &c., at 25 and 50 cents per bottle.

How many thous has suf er from biliousness, dyspepsia, &c., and drag on a miserable existence—not ill enough to remain at home and call in medical assistance, yet feeling sufficiently unwell to destroy all the pleasure of life. They suffer daily, and solely for want of some simple remedy to purge and cleanse the system. QUINK'S IRISH TEA is specially adapted for this purpose. Gentle in its effects, yet it carries off all extraneous matter, and leaves the vital organs clear and unobstructed. It purifies the blood and renovates the entire frame. It is truly Nature's remedy, being entirely herbal. Sold by all druggists. Twenty-five cents per package, each making a quart of medicine.

WELLS' MACHINE SPREAD STRENTHENING PLASTERS are superior to all others. Composed of choice medicinal gums, combined with the true Burgundy Pitch, spread on fine soft lamb skin, they afford mechanical support to the affected parts, and, acting by absorption, relieves almost instantly. For pains in the back or side, caused either by indigestion, rheumatism, or strain, they are unrivaled. Sold by all druggists; 25 cents each.

THOMPSON'S POMADE OPTIME, an oleaginous compound of great merit for dressing and cleansing the hair. Sold by all druggists; 25 and 50 cents per bottle.

BUTLER'S BALSAMIC MIXTURE, the old infallible remedy. Sold by druggists; price, $1 per bottle.

WILBOR'S COMPOUND OF PURE COD-LIVER OIL AND LIME.—The advantage of this compound over the plain Oil is, that the nauseating taste of the Oil is entirely removed, and the whole rendered entirely palatable. The offensive taste of the Oil has long acted as a great objection to its use; but in this form the trouble is entirely obviated. A host of certificates might be given here to testify to the excellence and success of "*Wilbor's Cod-Liver Oil and Lime;*" but the fact that it is regularly prescribed by the medical faculty is sufficient. For sale by A. B. Wilbor, Chemist, Boston, and by all druggists.
