FINANCE AND COMMERCE.

MONETARY MATTERS IN NEW YORK AND SAN FRANCISCO.

New York Money Market.

NEW YORK, September 2, 1879.

The exports of domestic produce from the port of New York for the past week were $9,982,608 against $7,625,443 for the corresponding week last year.

Money ranged from 4 to 7 per cent. to-day, and closed at 4.

Foreign exchange dull and steady at 480¾@481¼ for long, and 483¼@483½ for demand.

Frankfort & Kokomo firsts sold at 91¾. New Jersey Central assented convertibles advanced to 98¼, while do consols declined to 98@98½, do adjustments to 102@102½, and do firsts to 114½. The stock market was fairly active throughout the day. In the early dealings a strong tone prevailed, the coal stocks being most prominent in the transaction. This was followed by a temporary depression, but during the afternoon, under heavy purchases, the upward movement in the coal stocks was resumed, and the general market also became strong, the advance in prices receiving fresh impetus from the easy rates ruling for money. The speculation continued firm to the close, the final quotations showing an improvement for the day of ¼ to 2¾ per cent., Kansas Pacific, St. Paul & Minneapolis, C, C, C & I, St. Louis & San Francisco first preferred, Wabash, and Delaware & Hudson making the greatest advance. Burlington, Cedar Rapids & Northern advanced from 68 to 69¾, reacted to 68, and closed at 65.

GEORGETOWN NEWS.

Collected by Republican Reporters.

At a recent meeting of Cromeline Lodge, No. 89, it was unanimously resolved to pay a fraternal visit in a body to Hermoine Lodge, No. 12, K. P., and the latter organization has been officially notified.

The conclave of physicians assembled to make examination of Mr. John S. Butler, the person shot in the side a day or two ago by Pope, state that the sufferer is in a very precarious condition at best. The most favorable symptoms as yet are that Mr. Pope continues to hold his own, and if he becomes no worse by this evening he will have a good show for cheating the Old Boy.

A special meeting was held last night by Potomac Lodge, No. 5, T. A. A. F., the object of which was the consideration of the subject to visit the city of Martinsburg. No doubt the numerous members have been suddenly seized with the desire to go off on a pilgrimage or something of the sort, consequently ye venerable Martinsburg is in imminent danger of being besieged by the exuberant members.

The maratime-disposed people of this place, or perhaps, more correctly speaking, the citizens of Georgetown, who are specially interested in the commerce of their native town, will be glad to note the unusual number of barks, schooners and brigs that are now anchored at the wharves. The number also seems to be on the increase. These facts cannot but prove the gratifying reality that business in this locality is brightening up. The demand by the large coal companies for vessels to transport their carboniferous cargoes to Northern ports has been a positive necessity. The increased exportation of this article, therefore, means prosperity for Georgetown. Truly, a prospect extremely gratifying.
