FOR SALE—MISCELLANEOUS.

RARE CHANCE FOR A SPLENDID BUILDING SITE OR INVESTMENT.

That magnificent "Oak Lawn" property, fronting 511 feet on Boundary street, at the junction of said street with Connecticut avenue, and containing 103,380 square feet, the sale of which was postponed on the 20th instant on account of the storm, will certainly be sold to the highest bidder on SATURDAY, the 27th instant, at 4 o'clock p. m.

This is unquestionably the most desirable piece of unimproved property in the District outside of the city limits, being in the immediate vicinity of the P street Circle, overlooking the entire city and covered by magnificent trees. It adjoins the beautiful suburban seat of E. C. Dean, esq.

This property was sold twelve years ago for 12½ cents per foot, and was purchased in 1872 by the late Hon. E. C. Ingersoll before the splendid improvements in that vicinity were made; at 18 cents per foot, and shortly afterward Mr. Ingersoll refused an offer of 25 cents per foot. It will probably sell now far below its real value.

Terms: One-third cash and the residue in one and two years, with seven per cent. interest.

See the Star for Trustee's advertisement. no25-2t

FOR SALE—A first-class pair of mules, used the past three years on my farm and warranted the best mules for hard work in the country; no use for them cause of selling. Can be seen at SPATES & HAHN'S, 930 La ave. no23 3t

FOR SALE.

I have a very fine assortment of second hand carriages for sale at prices to suit the times, comprising, in part, one first-class Clarence, as good as new, one (1) very fine Coupelette, but little used, belonging to a foreign minister, who is about returning to his home; one (1) very handsome Landaulet, as good as new; two Coupes, two Six-Passenger Rockaways, one Park Phaeton, in first-rate order. All of the above will be sold at great bargains as the owners have no further use for them. In addition to the above I have several other styles of vehicles, which I am offering at very low figures. I have also a full and complete stock of new Carriages, Buggies, Doctors' Phaetons, etc. (of the finest quality and workmanship), of my own make, which will compare favorably with any vehicles built in the United States. An inspection is solicited.

PROPOSALS FOR MAIL LOCKS.

POSTOFFICE DEPARTMENT,
WASHINGTON, D. C., Oct. 22, 1880.

SEALED PROPOSALS will be received at this Department, UNTIL 12 O'CLOCK NOON, ON THE 20TH DAY OF JANUARY, 1881, for furnishing a new kind of mail locks and keys for the sole and exclusive use of the United States through registered mails.

As the public exposure and searching examination necessary to intelligent bidding on any prescribed model of a lock and key would tend to impair, if not entirely destroy, the further utility of such locks and keys for the purposes of the mails, the Postmaster-General prescribes no model or sample for bidders, but relies for a selection on the mechanical skill and ingenuity which a fair competition among inventors, hereby invited, may develop in samples submitted by them.

Specifications of the conditions and requirements relating to proposals, samples, contract, etc., as well as forms of proposal, will be furnished on application by letter to the Second Assistant Postmaster-General.

No proposal will be considered unless it shall have been submitted in accordance with such specification and forms.

The contracts which may be made will be in conformity to the specifications and the accepted proposal. But the right is, however, reserved to reject any and all of the proposals.

JAMES N. TYNER,
Acting Postmaster-General.
