VIRGINIA NEWS.

There have been six cases of smallpox in Winchester recently, only one of which proved fatal.

Mr. Conrad Virts, a well-known citizen of Loudoun County, died last week, in the ninety-first year of his age.

Mr. H. C. Gist shipped from Leesburg one day last week a pure-bred Jersey hog two years old that tipped the scales at seven hundred pounds.

The wife of William Wright, of Caroline County, was caught under a falling tree last Friday, and received injuries from which she died in a few hours.

Dr. Valentine Y. Conway, an old and highly esteemed member of the Conway family, of Stafford County, died Sunday night, in the 80th year of his age.

The following-named persons have been commissioned as postmasters: Archer G. Duncan, Greenville; William F. Broadhead, Bowlesville; Samuel L. Cootes, Mount Solon.

Mr. F. A. Schmeis, one of the oldest and most esteemed merchants, died at his residence in Hampton on last Wednesday morning, in the seventy-third year of his age.

The dwelling of John W. Travel and a house owned by Edward Rodeffer, and occupied by R. L. Campbell, in Woodstock, were destroyed by an accidental fire last Friday evening.

A Colonization Society, with a capital of $5,000,000, has been formed in New York city, to take up the vine lands of Virginia and North Carolina, and assist French immigrants to settle on them.

Louis H. Powell, esq., of Leesburg, in closing the door of his iron safe Wednesday morning, had the misfortune to have the thumb of his left hand caught in the closing door, and the end of it was cut off as if by a razor.

At Roanoke, last Saturday, meetings of the stockholders of the Roanoke Land Improvement Company, the Roanoke Machine Company, and the Roanoke Iron Company were held. It was decided to increase the capital stock of each company to $2,000,000, and each has already a paid-up capital of $2,000,000. Roanoke is the point of junction of the Shenandoah Valley and Norfolk and Western Railroads in Roanoke County, and is expected to become the seat of large manufacturing industries.

Trade in Georgetown.

The coal trade—Shipment for the week ending Saturday: The Cumberland and Pennsylvania Railroad, 49,788.09 tons, an increase of 25,500.09 tons compared with the same period last year, and 6,404.01 tons by the George's Creek and Cumberland Railroad. Of the first amount 38,491.04 tons were shipped by the Baltimore and Ohio Railroad, 1,856.06 tons to the State Line, and 9,440.09 tons to the Chesapeake and Ohio Canal. The George's Creek and Cumberland Railroad shipped 3,019.16 tons to the State Line, and 2,226.01 tons to the Chesapeake and Ohio Canal. The grand total for the week is 55,192.10 tons. Seven boats, with 818.16 tons, left Cumberland Tuesday.

The grain trade—Arrivals—Boat Regular, 3,500 bushels of wheat; boat H. M. Talbott, 2,800 bushels of wheat and 600 bushels of corn; boat Samuel Jarboe, with 3,800 bushels of wheat; boat M. C. W. Boyer, with 4,000 bushels of wheat.

MR. A. NATHANS, one of the managers of Coup's show, has been prominently identified with the circus business for many years, and he has had control of many of the most celebrated circus companies in the United States. He contracted severe rheumatism from constant exposure, and St. Jacobs Oil relieved his rheumatic pains when nothing else, not even the best medical treatment, did him any good worth mentioning. He is enthusiastic in his praise of the Oil, and thinks it is an excellent thing for circus organizations to take with them traveling.

A Signal Evidence of Health.

Is a regularly recurring action of the bowels. With the due performance of this function are united good digestion, pure and active circulation of the blood, and an adequate secretion of healthy bile, which seeks the conduits designed for it by nature. The performance of these co-operative functions, insuring permanent health and vigor, may, if interrupted, speedily be rendered active and regular with that finest of modern restoratives of organic activity and general health, Hostetter's Stomach Bitters. While it relaxes the bowels effectually, it does so without pain, and without giving rise to the violent, weakening reaction always to be anticipated from a drastic purgative. The drenching effect, associated in the minds of many ill-advised persons with thoroughness as its essential, is ruinous to the stomach and intestines, organs that are, on the contrary, invigorated by the Bitters, which is, moreover, a superb preventive and remedy for fever and ague, and a proven specific for rheumatism, debility, and kidney inactivity. Dr. Frazier's Root Bitters.

Frazier's Root Bitters are not a dram-shop whisky beverage, but are strictly medicinal in every sense. They act strongly upon the liver and kidneys, keep the bowels open and regular, make the weak strong, heat the lungs, build up the nerves and cleanse the blood and system of every impurity.

For Dizziness, Rush of Blood to the Head, tending to Apoplexy; Dyspepsia, Fever and Ague, Dropsy, Pimples and Blotches, Scrofulous Humors and Sores, Tetter, Ring Worm, White Swelling, Erysipelas, Sore Eyes, and for young men suffering from Weakness or Debility caused from imprudence, and to females in delicate health, Frazier's Root Bitters are especially recommended.

Dr. Frazier: "I have used two bottles of your Root Bitters for Dyspepsia, Dizziness, Weakness, and Kidney Disease, and they did me more good than the doctors and all the medicine I ever used.
