VIRGINIA NEWS.

Fredericksburg is negotiating for an almshouse.

Petersburg reports a brisk movement in cotton.

The post-office at Lewisville, King George's County, has been discontinued.

A third distribution of 15 per cent. is announced to the creditors of the Citizens' Bank of Petersburg. They may get 75 per cent. in all of their claims.

The uniforms for the Fredericksburg Guard have been completed by a Richmond tailor. Arms and equipments will be forwarded from Richmond as soon as the company is uniformed.

Messrs. Hazard, Cole, and Rowe have been appointed a committee by the council of Fredericksburg to solicit the national authorities to construct a macadamized avenue from the city to the Federal Cemetery.

Mr. J. D. Brown, late the general secretary of the Young Men's Christian Association, Petersburg, will be ordained to the ministry of the Baptist Church at High Hills, in Sussex County, on the first Sunday in January.

The council committee on finance—Major P. J. Otey, chairman—has disposed of Lynchburg's stock in the Virginia Midland Railroad Company at seventy cents in the dollar, netting for the 400 shares owned by the city $28,000.

One of the tobacco dealers has just returned from New Orleans, and confirms the statement made some days ago that the Danville tobacco men will lose about $20,000 by the failure of D. B. Block & Co., tobacco jobbers, and about $10,000 by that of Louis Meyer & Son. Block & Co. have proposed to pay forty cents in the dollar and Louis Meyer & Son ten cents in the dollar.

Police Court Notes.

George Ingram, a colored tramp, has been assigned to a cell at General Crocker's popular resort for vagrancy.

Edward Lansdale, a contractor, for leaving an excavation open at night without a light, was fined $3 by Judge Snell.

John Lancaster, a colored imbecile, was sent to the workhouse yesterday for twenty days on the charge of carrying a razor.

William Hughes drove a coal cart for Johnson Brothers. Instead of delivering two loads of coal he sold them and pocketed the money. He will now take a vacation at the jail for six months.

Lucius Courtney, a coal-black, tough-looking citizen, was up yesterday on two different charges—one for fast driving and the other for disorderly conduct. The Judge gave him permission to spend Christmas and New Year's with General Crocker.

Sherman Edmundston and William Lee were charged with feloniously assaulting Charles J. Wise and putting him in bodily fear and danger of his life and taking from him $5 and a handkerchief. The case was continued under $500 bonds.

Henry and Robert Stafford, colored, were yesterday sent down for sixty days for receiving two watches that were stolen from the jewelry store of Edward Bryant, corner of Fourteenth and Samson streets, last Saturday morning by colored thieves.

Jerry Berry, a colored man, forced an entrance to the store of Thomas Melia, at Twentieth and M streets, and had removed a quantity of meat, &c., to the sidewalk, prior to carrying it off, when he was arrested. The defendant was held, in default of $500 bonds, to await the action of the grand jury.

People of advanced ideas are never slow to recognize that which will result in the greatest benefit to their wealth, health, and happiness; such people never fail to perceive the great benefit resulting from the use of St. Jacobs Oil when afflicted by rheumatism. William B. Wareing, esq., assistant general superintendent third division mailing and distributing department, New York post-office, in writing concerning St. Jacobs Oil, says: "The reports from the several superintendents and clerks who have used the Oil agree in praising it highly. It has been found efficacious in cuts, burns, soreness and stiffness of the joints and muscles, and affords a ready relief for rheumatic complaints." Hon. T. L. James, now Postmaster-General of the United States, concurred in the foregoing.

Curable Aches.

Among the aches which the unprecedented career of Hostetter's Stomach Bitters has proved to be curable are those experienced by the rheumatic. Testimony of the most convincing character establishes the fact that the atrocious disease, even after resisting the most potent remedies of the pharmacopœia, has succumbed to the action of this beneficent blood depurent. Add to this fact the important one that it is safe, and its superiority is very manifest. Unfortunately safety cannot be predicated of the ordinary drugs used to overcome rheumatism, among which are several violent poisons, and some of them, as in the case of arsenic, have a tendency to aggregate in the system, and cause death at some unlooked-for moment. A slight overdose of the chief remedy, colchicum, causes spasm of the heart and death. The Bitters, besides being a depurent, remedies dyspepsia, constipation, liver complaint, and general debility. Dr. Frazier's Root Bitters.

Frazier's Root Bitters are not a dram-shop whisky beverage, but are strictly medicinal in every sense. They act strongly upon the liver and kidneys, keep the bowels open and regular, make the weak strong, heal the lungs, build up the nerves and cleanse the blood and system of every impurity.

For Dizziness, Rush of Blood to the Head, tending to Apoplexy; Dyspepsia, Fever and Ague, Dropsy, Pimples and Blotches, Scrofulous Humors and Sores, Tetter, Ring Worm, White Swelling, Erysipelas, Sore Eyes, and for young men suffering from Weakness or Debility caused from imprudence, and to females in delicate health, Frazier's Root Bitters are especially recommended.

Dr. Frazier: "I have used two bottles of your Root Bitters for Dyspepsia, Dizziness, Weakness, and Kidney Disease, and they did me more good than the doctors and all the medicine I ever used. From the first dose I took I began to mend, and I am now in perfect health, and feel as well as I ever did. I consider your medicine one of the greatest of blessings." MRS. M. MARTIN, Cleveland, Ohio.

Sold by all druggists everywhere at $1 per bottle.

A Card from Wm. M. Galt & Co.

FIRST PREMIUM FOR THE BEST BARREL of Flour made from Spring Wheat this day awarded to entry No. 28, in Section 23, Class 23, Department 26, to Wm. M. Galt & Co.

Witness our hands, at the National Fair Grounds of the District of Columbia, this 14th day of October, 1881.

J. M. WHARTON,
W. F. NEWCOMER,
JOHN D. NEWMANN,
Experts on Flour.

Attest: JAS. S. EDWARDS, Marshal.

P. S.—The above-mentioned Flour is CERES, the celebrated Minnesota Patent Process Flour, which was awarded the first premium against all other competitors at the National Fair in 1879 and 1880 (gold medal), and now again in 1881. The competition in Flour was certainly a very lively one this year, and the premium was well contested for, but it was simply an impossibility to beat CERES, and the above premium just awarded is only adding another triumph to the magnificent success this so celebrated Flour has gained in this community.

We would also respectfully mention the fact that Mrs. S. F. Anderson received the first premium for the handsomest rolls and biscuits on exhibition, and they were made of CERES FLOUR, which is only another proof that it stands A No. 1 among the best Minnesota Patent Flours known to the trade.
