Dr. Frazier's Root Bitters.

Frazier's Root Bitters are not a dram-shop whisky beverage, but are strictly medicinal in every sense. They act strongly upon the liver and kidneys, keep the bowels open and regular, make the weak strong, heal the lungs, build up the nerves and cleanse the blood and system of every impurity.

For Dizziness, Rush of Blood to the Head, tending to Apoplexy; Dyspepsia, Fever and Ague, Dropsy, Pimples and Blotches, Scrofulous Humors and Sores, Tetter, Ring Worm, White Swelling, Erysipelas, Sore Eyes, and for young men suffering from Weakness or Debility caused from imprudence, and to females in delicate health, Frazier's Root Bitters are especially recommended.

Dr. Frazier: "I have used two bottles of your Root Bitters for Dyspepsia, Dizziness, Weakness, and Kidney Disease, and they did me more good than the doctors and all the medicine I ever used. From the first dose I took I began to mend, and I am now in perfect health, and feel as well as I ever did. I consider your medicine one of the greatest of blessings." MRS. M. The piratical oyster dredgers were on Saturday convicted in the Mathews County Court and sentenced to one year each in the penitentiary and forfeiture of their boats. The judge and jurors signed a petition to the Governor for the pardon of the convicted men because of extenuating circumstances.

ALEXANDRIA AFFAIRS.

The full assessment of the city will not be completely made up until after the 1st of April.

Mrs. Smith, well known as a doctress, is dangerously ill at her home, on the corner of Alfred and Wolfe streets.

The preparations for the season continue at the fish wharf. Alexandria will, it is expected, continue an important depot for herring, but Washington will draw most of her trade in shad.

The workhouse, in the basement of the city poor-house, has been long tenantless. Indeed, for many years it was so much out of order that no one could be kept there who desired to escape. The chain-gang has superseded it, and the headquarters of the chain-gang is at the city jail. It is understood that an effort will be made to specially utilize the rooms at the poor-house formerly used for workhouse purposes.

Judge Snell said there was no intent to break the lamp, and as he did not suppose she would jump from the windows on to street-lamps for amusement, he would dismiss the case.

SNOW WHITE BREAD

and beautiful Rolls and Biscuits will be guaranteed if you use

CERES,

the celebrated Minnesota Patent-Process Flour, which was awarded the First Premium over all other competitors at the National Fair in 1879, and again the First Premium, in the shape of a very handsome gold medal in 1880 and 1881. The millers claim that one barrel of Ceres will turn out forty loaves more bread than any other flour in America. We would also respectfully mention the fact that Mrs. S. P. Anderson, of this city, received the First Premium at our last October Fair for the handsomest Rolls and Biscuits on exhibition, and they were made of Ceres Flour, which is only adding another proof to the many already established, that Ceres is the best Minnesota Patent-Process Flour known to the trade, and we doubt that it has its equal in the world.
