### PILES! PILES! PILES!

**A Sure Cure Found at Last! No One Need Suffer!**

A sure cure for Blind, Bleeding, Itching, and Ulcerated Piles has been discovered by Dr. William (an Indian remedy), called Dr. William's Indian Ointment. A single box has cured the worst chronic cases of twenty-five or thirty years' standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotions, instruments, and electuaries do more harm than good. William's Ointment absorbs the tumors, allays the intense itching (particularly at night after getting warm in bed), acts as a poultice, gives instant and painless relief, and is prepared only for Piles, itching of the private parts, and for nothing else.

Read what the Hon. J. M. Coffinberry, of Cleveland, says about Dr. William's Indian Pile Ointment: "I have used scores of Pile cures, and it affords me pleasure to say that I have never found anything which gave such immediate and permanent relief as Dr. William's Indian Ointment."

For sale by Stott & Cromwell, or mailed on receipt of price, $1. HENRY & CO., Proprietors,

About 3:15 p. m. yesterday a white boy named Thomas A. Williams, aged 11 years, while crossing M street near the corner of Thirteenth street was struck by the pole of a carriage driven by Jacob Magruder and knocked down, receiving a severe scalp wound with fracture of bone on the head near the left ear. The boy was taken to Bright's drug-store where the wound was dressed by Drs. Bowie Tyler and Suter, after which he was taken to his home 1111 Twenty-ninth street. The driver was taken to the station by officer Gates, the matter is instigated, and, as there appeared to be no blame attached to him, he was permitted to go.

The ladies of Grace Episcopal Church give a strawberry festival to-night. No doubt it will be a pleasant entertainment.

Tuesday evening we noticed quite a large party of merry maidens and gallant tars in row-boats on Rock Creek. Having become tired of the monotony of rowing on the river, they persuaded the genial keeper at the outlet to pass them through the lock, and they seemed to be enjoying themselves hugely.

This morning seven and five hundred bushels of wheat sold yesterday at $1.38.

"I HAPPEN to know of a great many cases of rheumatism, sprains, &c., in which St. Jacobs Oil proved itself a never-failing panacea," said Mr. William A. Davidson, of Cincinnati, Ohio. "I severely sprained my ankle while searching for geological specimens, and suffered severely until I tried St. Jacobs Oil. It cured me, leaving me in a mood to extol the Great German Remedy."

**Monument to Colored Soldiers.**

At a large and enthusiastic meeting held under the auspices of Union Bethel Literary and Historic Association, May 30, at the close of a paper on "The Negro in the Rebellion," presented by George M. Arnold, esq., a resolution was adopted instructing the president to appoint a committee of seven, four ex-soldiers and three civilians, to devise ways and means for the purpose of erecting in Washington a monument to the memory of the colored soldiers who fell in the rebellion. After consulting with the advisory board and waiting upon the gentlemen suggested, the president of the association announced the names of the committee at the regular meeting last Tuesday evening as follows: Ex-soldiers, Lewis H. Douglas, George M. Arnold, M. M. Holland, Rev. William Warring; civilians, J. W. Cromwell, Bishop J. M. Brown, and Professor Storum.

**Brilliant Solar Halo.**

Yesterday morning about 10 o'clock the attention of many persons was attracted by a perfectly distinct and unusually large circle of prismatic colors, as distinctly defined as in a perfect rainbow, around the sun. It was a solar halo which is comparatively rare, and therefore a curious as well as beautiful sight, but it has no scientific value, and furnishes no data for meterological prediction. Halos are formed from the refraction and reflection of the rays of light by the minute snow crystals of the cirrus cloud.

The Petersburg fourth ward election contest for councilmen will come up for trial before Judge Mann, of the hustings court, on Thursday of this week. The matter excites a great deal of interest because of the very close divisions of parties in the council. Messrs. John R. Patterson and Thomas J. Gates (anti-Mahone) are the two gentlemen who were returned as elected, the former by fifty-three and the latter by forty-four majority. The contestants are Messrs. George W. Dunn and Richard Frazier, who ran on the Mahone ticket. In their petition they ask for a recount of the ballots—not on the ground of any perpetration of fraud, but on the ground, as is alleged, that there was an erroneous count. Messrs. John Lyon, of Richmond, and D. A. Lyon, of this city, are counsel for the contestants, and Messrs. Alexander Hamilton and Richard B. Davis for the defendants in the case.—*Dispatch.*
