TARRANT'S SELTZER APERIENT

"Preserve and Regulate, not Destroy," is a sound motto in medication as well as statesmanship. Preserve the vigor of the digestive organs, and regulate the secretions with TARRANT'S SELTZER APERIENT, and you care dyspepsia and liver complaint by a process in harmony with the laws of nature. Violent medicines have had their day. They devitalize the system. Reason as well as the stomach rejects them. Rely on this exhilarating specific. 5-SM4t SOLD BY ALL DRUGGISTS.

THE COMMISSIONERS.

Current Transactions at the Various District Offices.

Government Printer Rounds has sent a note to the Commissioners calling their attention to the necessity of improving the streets in the vicinity of the Printing Office, particularly the alley running alongside of the office, which is in a filthy condition and has no lights, which makes it very disagreeable to anyone working in the adjoining rooms. He also says there are a large number of frame stables, &c., in the alley, and in case of fire it would cause some destruction to property, and that a fire plug is needed in the alley.

The Commissioners have appointed William H. Murphy a special policeman for duty at the Government Printing Office.

At the meeting of the Board of Commissioners yesterday it was decided to improve and widen Fourteenth-street road without delay, and instruct the engineer department to begin work as soon as possible. Congress appropriated $6,000 for this work last session.

The Commissioners have been notified by the sanitary officer that the fund for removing indigent persons to their homes is exhausted.

A building permit was issued yesterday to P. McCarney to build one brick dwelling on K street, between Twenty-first and Twenty-second streets northwest, to cost $2,800.

The District Collector has issued 1,305 dog tags during the past year.

Major Lydecker was at his desk yesterday.

ALIMONY WANTED.

A Treasury Clerk Drives Two Horses and Fails to Support His Wife.

Malvina W. Smith yesterday entered suit against Charles H. Smith for alimony and separate support. The parties were married in Otsego County, New York, December 7, 1863. In February, 1871, he was appointed to a clerkship in the Treasury Department, and left her at East Worcester, N. Y. Her petition states that in 1863 he was wounded at the battle of Gettysburg, Pa., and she saved his life by her care and attention. By reason of his wounds he was unable to support his family, except for his pension of $8 a month, and during that time she supported him by working in the millinery business. After he received his appointment they lived happily until January 27, 1879, when he wrote her that there was no longer any love between them and could not live any longer together. Since that time she has not lived with him and he has not requested her to do so; he has not paid her more than $25 a month up to May, 1882, and since that time has refused to make her any allowance. He has threatened to bring suit for a divorce unless she does, and has refused to support her so as to force her to bring suit. She states that the defendant is in receipt of a salary of $100 per month, has a monthly pension of $32.50, and has an additional income. He has a span of fine horses and other personal property worth $8,000.

A Delicious Appetizer,

That ensures digestion and enjoyment of food; a tonic that brings strength to the weak and rest to the nervous; a harmless diarrhœa cure that don't constipate—just what every family needs—Parker's Ginger Tonic.

Police Court Notes.

Samuel Hines, a colored boy, was fined for obstructing the sidewalk while eating a watermelon.

Edward Fields, a colored man, has been committed to the workhouse for refusing to pay a hackman for four hours' riding.

Joseph Padget forfeited collateral on a charge of violating the laws governing the sale of produce, by selling certain articles by measure instead of weight.

Tiny Dorsey, colored, threw bricks through the window of Mary Temple's house and also assaulted Mary violently. She got thirty days for destroying private property, and the same length of time for the assault.

Joseph Kelley, a respectably-connected drunkard, who has been sent up three times in the last thirty days, was again committed to the workhouse for three months as an habitual drunkard and vagrant.

James Gordon, colored, was sent to the workhouse for ninety days in default of a $50 fine for carrying a razor.

Sparkling Eyes,

rosy cheeks, and clear complexion only accompany good health. Parker's Ginger Tonic, better than anything, makes pure, rich blood, and brings health, joyous spirits, strength, and beauty. Ladies try it.—*Bizmar.*

Colonel Hains' Project.

Colonel Peter C. Hains, engineer officer in charge of the reclamation of the Potomac Flats, has filed his project (as it is technically called in the Corps of Engineers) of operations for the work with General John G. Parke, acting chief of the Corps of Engineers. The document is a bulky one, and is accompanied by a number of maps and sketches. General Parke was interviewed yesterday in regard to the project, but declined to allow any publication of its contents at present. It will be presented to the Secretary of War on his return to the city for his approval, after which it is probable that it will be given to the public. It will first be thoroughly examined in the office of the Chief of Engineers.

Miss Emma Thursby.

Miss Emma Thursby, supported by a brilliant company of distinguished artists under the direction of Maurice Strakosch, will, after three years' absence, make her only appearance in Washington prior to her return to Europe on Tuesday evening, October 10, at Lincoln Hall. Miss Thursby's successes in all the capitals of Europe are without a parallel in the history of American singers, and have proved her to be, in the words of Gounod, who heard her sing his famous "Ave Maria" at the Trocadero in Paris, "the faultless Queen of Song."

Local Base-Ball.

Altogether the finest game of the season took place yesterday af ernoon on the National grounds between the Post-Office and Government Printing-Office nines, the score at the end of the eighth inning, when the game was called on account of darkness, standing 1 to 0 in favor of the Post-Office. The pitching of Wise was very effective, the printers only getting two base hits on him during the game. This will give the Post-office second place in the race for the championship.

THE purity and elegant perfume of Parker's Hair Balsam explain the popularity of this reliable restorative.
