THE MARKETS.

Further Particulars of the Granger Railroad Troubles.

A Drooping Market and a Disposition to Await Events.

REVIEW.

Special Dispatch.

NEW YORK, Dec. 12.—The market opened very weak, Northwestern selling down to $1.15¼, but it was soon bid up by Bell, who went from crowd to crowd bidding up prices apparently for the purpose of making a market to sell on.

The reported cutting of rates by the Chicago, Burlington and Quincy has not yet been announced officially, but the reports appear to be well founded, and would be but a natural result of the railroad imbroglio.

The Oregon Transportation directors met and passed their dividend as was expected. Union Pacific has been sold on the introduction of Anderson's (Kansas) bill inquiring whether the Union Pacific complied with the provisions of the Thurman act.

The market has shown a more decided disposition to rally at times than it has done for two or three days, but the buying has been most by room traders covering.

GOSSIP.

John Slayback is said to have been a seller of stocks to-day, and so have Prince & Whitely. Mr. Merrill said the tripartite agreement has been signed but in *escro*, but it is expected to be taken out this week. The agreement does not affect St. Paul and Minneapolis business. Other roads can come into the agreement by doing as we do.

Mr. Clarke, of Union Pacific, said, "This agreement is an outgrowth of the Burlington extension to Denver. Burlington is taking business from Denver and the intermediate stations to Omaha. It is taking Columbus business on the Union Pacific line and carrying it to Chicago."

We are informed by good authority that there were two objectionable features to Iowa pool—first, Union Pacific and Burlington and Missouri prorated only to open competitive points.

A Milwaukee dispatch says the agreement between the St. Paul, Rock Island, and Union Pacific roads for an interchange of business for twenty-five years goes into effect Jan. 1, 1884, having been signed by Manager Merrill, of the St. Paul road, in New York on Monday. The other signatures were already appended when he reached there. The terms of the agreement are such that none of the roads can withdraw for five years, and then only by serving one year's notice.

The Union Pacific is to have all the west-bound business on the St. Paul and of the Rock Island, and the latter roads in turn receive the east bound business of the Union Pacific. This agreement excepts routed business, or such as is designated to go by a certain route.

Other roads may enter under contract, by a supplemental agreement, the Rock Island, St. Paul pool, and the Omaha business.

Judged by the comparative firmness of Monday's closing, the general drop in prices to-day was unexpected. From one end of the day to the other there was nothing better than a drooping market. The Iowa railway pool, from all accounts, has gone to pieces, and a war of rates among these roads is considered imminent. The St. Paul road gave notice of withdrawal from the pool some time ago, but consented to defer action until Jan. 1. Unexpectedly the Rock Island gave peremptory notice of its intention to immediately withdraw, &c.

Wheat and corn are acting heavily. Private Chicago dispatches say corn was bid up to sell on. A Chicago dispatch reports 1,000 cars loaded at Kansas City for Chicago. Heavy receipts will follow the disruption of the Iowa pool. In this case, lower markets are probable.

The Western Union statement is as follows: Surplus Oct. 1, 1883, $3,481,714; net revenues for the quarter ending December 31, $1,750,000; total, $5,591,714. Interest, $106,420; sinking fund, $20,000; total, $126,420. Balance, $5,465,293. Dividend requirements, $1,399,794; surplus, $1,065,509. Dividend of 1¾ payable January 15. Books close December 20; reopen January 16.

There is little change in the coal trade. The supply is in excess of the demand, but this will be changed on suspension of production. Operators and dealers have no cause for complaint at the state of trade in 1883.

The sales to-day aggregated 428,543 shares, including Central Pacific, 5,200; Delaware, Lackawanna and Western, 70,300; Erie, 15,026; Lake Shore, 23,687; Louisville and Nashville, 8,700; Missouri Pacific, 10,300; Northwestern, 20,250; New York Central, 12,850; Reading, 21,900; St. Paul, 43,061; Union Pacific, 62,115; Western Union, 7,163; Chicago, Burlington and Quincy, 13,323; Canadian Pacific, 6,850; Northern Pacific preferred, 18,900; Oregon Transcontinental, 45,490.
