Miss Bayard's Presence of Mind.

While Secretary and Miss Bayard were enjoying a horseback ride on Sunday morning, the horse which Miss Bayard was riding stumbled and unseated her. Desires to call your attention to the following articles, which will be offered at Remarkably Low Prices, and in doing so invites inspection of the same.

DRESS TRIMMINGS.

"Hussar" Loops

Form an entire trimming for the waist. Many imported costumes have this trimming, which of course settles the question, "Will it be fashionable?"

"Zulu" Trimming,

Something entirely new and specially adapted for cloth dresses. The "Zulu" is made of worsted in various colors. Our 48c quality will be offered for the special sale at 25c per yard.

Marabot Trimming,

All silk and in new colors, and of course black. The new designs and the special prices for the special sale should alone induce you to visit the Palais Royal.

Jetted Trimmings

Will be fashionable; that is definitely settled. We have the jetted drops in sizes, in black and in fancy colors, to match any dress material. We know our prices on these goods are lower than our competitors', so we naturally desire you to learn the prices asked elsewhere, and then pay a visit to the Palais Royal.

Trimmings to Order.

It is our policy always to have what our customers desire. If the design desired is not to be procured ready-made, we "make to order." We would remind our patrons we supply all the principal dressmakers of Washington; we mention this in order to hint to you we are thoroughly posted on correct styles, and will be glad to give our patrons the benefit of our experience.

Chenille Fringes.

A specially grand display of the prettiest combination Chenille and Jet Pendants and other fancy Chenille Fringes.

We show 42 different and new designs, making the finest exhibition in Washington. Our 68c Chenille Fringe for the special sale, 35c a yard.

Braid Trimmings.

The variety of this fashionable dress trimming must be seen to be appreciated. One would hardly credit the beautiful effects in designs and colors that can be produced from braid, and all will be agreeably surprised at the Palais Royal prices.

Feather Trimmings

In all colors and black. We happen to import these trimmings direct from Europe. So we can substantiate our claim that our 48c Feather Trimmings are sold at all other stores in Washington at 65c. Finer goods proportionately cheap.

Buttons

Are to be worn rather large, but to describe the various designs, materials, and colors is more than our time, space, and patience will permit. The Palais Royal prices, we claim, are at least 10 per cent. below usual retail prices for buttons. We leave the decision to our patrons.

THE PALAIS ROYAL,
