The Board of Audit Bill Opposed.

The commissioners yesterday considered the House bill to create a board of audit and decided to report adversely on it, for the reason that the plan was once tried and failed, besides it opens up a way for the presentation of $2,000,000 of claims. The improvements made benefited property.

Blessed by the Bishops.

The services of the Catholic Church during Holy Week are grand and impressive. On Maunday Thursday the oils to be used for all church purposes during the year are blessed by the bishop of the diocese. This beautiful ceremony will be performed at the Baltimore Cathedral to-morrow by His Eminence Cardinal Gibbons. The $1 excursion tickets of the Baltimore and Potomac railroad afford a splendid opportunity to attend the services conducted by the highest prelate of the church in America.

A Display for Easter!

****

THE PALAIS ROYAL

Is in holiday array and invites you to the exhibition of the new things for Easter. It's an exhibition in the true sense of the word. The quantities, qualities, and prices of the exhibits are for you to pass judgment on. The question is, can we, by buying and selling strictly for cash, afford to sell cheaper than our neighbors, who buy and sell on credit. We say we can. We invite your verdict.

****

The New Wraps.

We know a wrap or suit is not bought under the impulse of the moment. The exhibits of Ladies', Misses', and Children's novelties are for inspection and criticism. We desire minute examination and inquiry as to prices, and will you have the garment that takes your fancy tried on? If you have no occasion to ask credit we should make you a future patron.

The New Parasols.

The fancy gold and silver tips to the paragon frames, the long-pointed sticks, richly carved; the handles in variety to suit the taste of the most critical; the shapes of stuffs, &c., make the 1888 parasol very beautiful. Ladies who wish an exclusive style are invited to look through the newly-arrived French novelties, nearly one hundred, and all different. Prices from $5 to $15 each. Satin coaching parasols from $1.25 to $5. Carriage parasols $1.48 to $2.50.

New Handkerchiefs.

You must admire, you can't help to admire, the very beautiful designs and color tints of the borders to our new French linen handkerchiefs at 25c. So beautiful are they that we reduce the price of old styles from 25c to 19c each.

For 12½c we show pure linen handkerchiefs that many of you will value at 25c. The fine linen, the fancy borders, and the variety make them strong rivals to our 25c handkerchiefs.

The New Hosiery.

We think we show the best selected stock in this city. You will notice the new shades in plain and combination colors, made expressly to be worn with the new dress goods. The qualities offered at undermentioned prices we claim by far the best in town.

For 25c. White, plain colors, and stripes. You will recognize the 35c hose as offered around town.

For 37c Schepper's 44c quality plain color lisle and some fancy stripes in Balbriggan. Extraordinary value are the Lisle thread hose in plain colors and stripes. We are quite sure our neighbors who credit charge 48c a pair. A saving of 13 cents a pair to you.

For 48c. It is no exaggeration to state that we have fifty different styles of boot patterns and combination-striped hose. Need we write more?

For 49c. The same quality as sold last year for 98c, of ribbed Lisle thread hose, silk finish, and in fifteen new beautiful shades; some with stripes at 83c are new.

Fast Black Hose.

We here publicly state that we will refund the price paid for any hose returned that has stained the limbs or clothing, or has changed color in washing or worn in small holes, as wear some alleged fast black hose.

(Signed) THE PALAIS ROYAL.
A. LISNER.

ELEGANT DRESS FABRICS.

We have opened an elegant line of all-wool Henrietta Cloths in a variety of new shades, embracing among others Pearl Gray, Cobea, Gobelin, Vieux-Rose, Bronze, Castor, Pilote Blue, &c. 46 inches, $1 per yard. We also call attention to our superb line of Silk-warp Henrietta Cloths. "The Queen of Textile Fabrics" is unquestionably the very acme of refinement, being a happy combination of the finest Australian wool and selected silk, dyed in the piece, yet retaining their distinctive character—the soft, clinging effect of the wool and the beautiful luster of the silk. Fashion writers speak of it in the highest terms, and no fabric yet introduced seems so eminently fitted to take the lead in elegant dress materials. We are showing the following extremely desirable shades:

Cobea, Electric, Gobelin, Apricot, Tilleul, Aubusson, Russe, Mousse, Acajou, Tabac, Gazelle, Chamois, Grenat, Fawn, Marine, Bronze, Marron, Chambron, Terra Cotta, Fuschia, Saphir, Danube, and Cream.
