CASTOR OIL NOW MADE TASTELESS

Kellogg's Tasteless Castor Oil is Sold by All Good Druggists.

The chemists of Spencer Kellogg & Sons, Inc., one of the world's largest manufacturers of vegetable oils, have perfected a remarkable new process by which all taste in castor oil is removed from the good old "family" remedy. Nothing is removed except the taste. Strength and purity are absolutely unchanged. You don't know it's castor oil when you take Kellogg's Tasteless Castor Oil. People who always condemned castor oil, but consented to take it, because they knew it was good for them, now give children castor oil without their even knowing it. Grandmothers will rejoice that now they can take castor oil themselves. Kellogg's Tasteless Castor Oil is now sold by all good druggists. For any ailment for which a good castor oil is given, ask for a bottle of Kellogg's tasteless castor oil. Two sizes, 30c and 60c.
