You Still Have Time to Get a "Kiddies Bank" Before Christmas

A most useful gift for children is one of our beautiful nickel-plated Recording Safes. Such a gift will not only attract the children, but teach them thrift.

One of these Safes may be secured by opening an account in the name of a child with $1.00 or more. Every penny the child puts in this little safe will add just that much to its account when deposited in our bank.

A WHOLE YEAR AHEAD TO SAVE
A whole year ahead to save. Make it worth while.
People who save a part of what they earn each pay day, no matter how little, soon have something ahead if they put their money in a strong national bank as this one is.
Hundreds of persons in this city, who opened accounts with us during 1920, and who saved steadily—putting something in this bank each pay day—are now reaping the benefits of their thrift.
There is a lot of satisfaction in knowing that you have ready money in this strong national bank. A kept-up savings account here is a source of protection.
Let us help you save. One of our savings pass books will help you get money ahead if you will do your part.
