Stock Market

New York, Oct. 5.—Secondary rails like Kansas City Southern, Seaboard and Toledo, St. Louis and Western preferred shares followed the lead of the high grade issues at gains of 1½ to 2 points.

Trading pursued its usual erratic course, however, shifting to Steel and metals, the former advancing a point, with 1 to 2 points for Anaconda, Inspiration and Kennecott coppers and National Lead. Mexicans as a group also rose substantially. Central Leather made a new maximum at 80, Barrett extended its advance over 4 points and American Woolen led its special class at a gain of over 3 points. Bonds were firm.

Rails again assumed a commanding position at today's opening with further gains of 1 to 2 points, foremost issues including Louisville and Nashville, New York Central, Reading and Lehigh Valley, in which individual dealings ranged from 1,000 to 2,500 shares. Equipments, munitions and other specialties were also in speculative favor. Central Leather at the new record of 79, with substantial advances in Air Brake, Pressed Steel Car, Crucible Steel, Studebaker and Westinghouse. Paper issues, tobacco products, Barrett Co. and Beet Sugar represented the miscellaneous specialties at material gains. United States Steel was firm on relatively light trading.

Grain Review

Chicago, Oct. 5.—Wheat prices ran up today to a new high level for 1916. The advance promptly followed announcements that the drought in Argentina remained unbroken. The opening, which ranged from the same as yesterday's finish to 1c higher, with December at $1.59⅞ to $1.60½ and May at $1.58½ to $1.59½, was followed by only a moderate reaction from the initial top prices.

Additional gains were scored in consequence of foreigners and seaboard exporters buying futures here but later the market was given a sharp setback owing to heavy profit taking by holders. The close was unsettled ½c to 1c net higher, with December at $1.60¼ and May at $1.59⅛.

Active export inquiry strengthened corn. After opening ¼c to ½c higher, the market tended to sag.

In subsequent dealings, corn took an upward swing despite weakness of wheat. Prices closed strong at 1⅛c to 2¼c net advance.

Oats hardened with other cereals. Trade, thought, was well divided.

Shorts and packers buying carried provisions upgrade. The chief incentive to purchase was an upturn in the value of hogs.

PARCEL DIDN'T CONTAIN BOMB

PIECE OF SERGT. DUKE'S CAKE SENT FROM BROWNSVILLE GAVE FORCE FRIGHT.

A package, light in weight, came to The Courier this morning, shrouded in mystery, which was not dispelled for some time after the parcel was opened. The contents was a wedge of dark brown stuff, with a faintly spicy odor but of the texture of leather. While speculation was rife, many holding to the theory that the singular object was a new variety of bomb, a note was discovered in a corner of the box. With relief the force read the following, penciled by the members of Company G, stationed at Brownsville, Texas:

"Dear Friends: We are sending you a sample of the cake that Duke, our mess sergeant put in for us to eat. You may put it on your shoe for half soles if you can get a nail through it. Please display it in the window for the public to see."

The cake (?) is a subtle reminder to many matrons of thei refforts as brides at pastry and biscuits, and they recall with a smile and a tear, the tragedy of the cake that fell flat. To men who have been forced to put up with the uncertain fortune of boarding houses, the memento of the Ottumwa attorney's culinary prowess may also have a bitter meaning. While an example of the splendid spirit of comradely chaffing in the camps, it might be well if Ottumwa relatives and friends remember that delicacies are rare at a military station, and a box of home made cake, cookies and candy would be very welcome to the boys in khaki.

THOUSANDS HEAR CHAS. R. SCOVILLE

Maryville, Mo., Oct. 5—Nearly 15,000 persons heard Dr. Charles Reign Scoville, evangelist, in the four final meetings of the revival campaign which came to an end this week at Maryville, bringing the total attendance for the three weeks close to 90,000. The number of those who have lined up for the Christian cause in the three weeks of invitation passed the 2,000 mark at the afternoon meting Sunday. Sunday night the total reached 2,500. The crowds Sunday made Doctor Scoville a thank offering of about $2,000. The exact amount has not been definitely ascertained by the committee.

The largest crowd of the entire campaign heard Dr. Scoville's sizzling hot denunciation of the traffic in liquor which he delivered in the afternoon. Every seat in the big tent tabernacle was crowded full, and the benches were taxed to more than their capacity. Scores of people stood up in the back of the tent and scores more just outside within the range of the evangelist's voice. It is estimated that over 4,000 heard the sermon.
