Secreto Terrible.

Sabiase que en Seymor, Conecticut, habia un "Club de Solterones, y habiase notado que, de mucho tiempo á esta parte, cada año salia un miembro del club para el altar de Himeneo; pero tomabase nota del asunto á titulo de curiosidad y no pasaba de alli la cosa. El otro dia se caso uno de la directiva, William F. Kertin, lo que llamo la atencion, porque en los 38 años de su edad nunca se le vio bailar, cortejar, ni siquiera visitar á una mujer, Viose ademas que en el camino de la iglesia le rodiaban cuatro gigantes, miembros del club, segun despues se supo, que no le dejaban hablar con nadie, ni mirar á un lado ni á otro. Concluida la ceremonia, salió con su mujer y no parecia hacerlo muy á su gusto, pero, en ultimo resultado, ¿que remedio le quedaba? Nadie ignoraba que el club era gobernado por reglamentos secretos del caracer mas terrible; pero nanie imaginaba hasta que punto llegaba el terror de la quisicosa, que unos reportes, capaces de revolver el mundo, descubrieron y echaron al fresco. He aqui el secreto:—Cada año habia un sorteo, y el que sacaba bola negra quedaba expulsado, y no solo esto, sino obligado á casarse. Cada socio contribuia con $200 para la dote del "condenado. Cuando la suerte condenó á Kerstin, protestó se negó, amenazo con el suicidio, pero el club se manifestó inflexibbe. "La ley es ley, le dijeron, y forzoso le fue cumplirla.-Cop.

Lluvia de Sangre.

El interesante feneméne metologico de la lluvia ó niebla de sangre, que tanto pavor infundía en el animo de los hombres de la antiguedad, los cuales interpretaban tal fenomeno por presaigo cierto de espantosas calamidades, se ha observado en estos dias en el pueblo de Pinos del Valle y en toda aquella extensa region. Durante mas de sesenta y dos horas, una espesisima niebla ha envuelto por completo dichos lugares. Pasado este tiempo, se despejó la atmosfera, y los campecinos y la gente sencilla observaron llenos de admiracion y curiosidad que todas las plantas de pequeño y grande talle, lo mismo hojas que ramas, piedras y otros muchos objetos, se hallaban cubiertos de un polvo rojizo, y finisimo. Su curiosidad fué satisfecha por las personas mas ilustradas del pueblo, quienes x li a on el fenomeno relacionandolo con el cicion que en estos dias ha soplado en lejanas tierras, cuya resistencia arrastró el polen de las flores, y trasportado este por el vient á las capas superiores de nuestra atmosfera, se mesció á la niebla y esta lo depositó sobre las plantas y cuantos objetos ha tocado.-Cop.

Your Heart

May Be Weak. One Person in Four Has a Weak Heart.

One of the surest signs of a weak heart is shortness of breath after exercise. Your heart is not able to pump the blood fast enough to your lungs.

Some of the other symptoms of Heart Trouble are: Pains in the Side, Back and Shoulder; Fainting or Weak Spells; Dry Cough; Swelling of Feet and Ankles; Cold Feet or Hands.

No one can afford to allow a weak heart to go without medicine, because weak heart means poor circulation, and poor circulation means weak lungs, stomach, liver, kidneys, etc.

If, therefore, you suspect heart trouble, begin taking Dr. Miles' New Heart Cure. The Heart Cure will do you good, as it is a splendid tonic for the blood and nerves, and will revitalize your entire system.

Finally, remember, Dr. Miles' New Heart Cure is sold under a guarantee that the first bottle will do you good.

If it doesn't—your money back.

"I was afflicted with heart trouble for three years. I would be apparently all right, and without a moment's warning would fall as though shot. The attacks were frequent, and a terrible dread possessed me, as I never knew when or where, nor under what conditions I would be attacked, and whether I would survive them. I consulted and was treated by some of the most eminent physicians of the state. Not finding relief from this source, I began taking Dr. Miles' New Heart Cure, and began to improve at once. I used ten bottles, which entirely cured me, as I have not had an attack for five years."—MRS. JOHN DRESBACH, Leipsic, O.

Mrs. Frank Chaisson, Patterson, La., writes June 8th, 1901: "I had malaria fever in a very bad form, was under treatment of doctors, but as soon as I stopped taking their medicine the fever would return, I used a sample bottle of Herbine, found it helped me. Then I bought two bottles, which completly cured me. I feel grateful to you for furnishing such a splendid medicine, and can honestly reccommend it to those suffering from malaria, as it will surely cure them." Herbine 50c bottle at J. H. WHERE DOES HE PUT IT ALL

I heard a young man say, as he and a friend were looking at a car load of lumber we were unloading. I did not tell him of several carloads which the railroad was holding for us because we were so busy. Since then we have unloaded.

A CAR OF RED CEDAR SHINGLES

and they certainly are beauties Did you ever think how far we bring our lumber? New Mexico is just beginning to be known as a lumber state and still we buy

SPRUCE AND WHITE PINE

From the Pacific coast. Then we buy

YELLOW PINE

from Arkansas, Louisiana and several other states. In fact we carry lumber cut from all sections of the country and

COAL

which we are obliged to go down under the states for. Come in and we will tell you more about it.
