MISSED THEIR TRAIN.

Delegation of Kickapoo Warriors and Chief to Greet New Chief.

Twelve Kickapoo warriors and their chief left their home early yesterday morning to come to Guthrie to greet and become acquainted with the "white man's" new chief, having persuaded their agent, Mr. M. J. Bentley, to conduct them to the capital of Oklahoma. When the train arrived at Shawnee only three were "johnny on the spot" and the others were left. Those who came were: Pah Ko Tah, Wah Pah Che Qua, and Wan Sko Tah, each one a prominent member of the tribe and a notorious warrior. They brought with them their Indian saddles for the purpose of taking part in the parade. Dressed up in full Kickapoo Indian style, with paint on their faces and feathers in their hair, with beaded moccasins, beaded buckskin trousers and waistcoats and blankets, mounted on Indian ponies, they formed an interesting feature of the parade. Mr. Bentley has been with these Indians for twenty years and speaks their language fluently. He was appointed their agent by personal request of a large delegation of them who went to Washington to see that it was granted. Every year he accompanies the tribe to Old Mexico for their annual hunt.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers' and grandmothers' never thought of using anything else for indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's Prize Almanac.
