YESTERDAY'S HOUSE JOURNAL

(Continued from Page 6.)

Now, gentlemen, if any member knows that this measure or any amendment thereto will benefit him personally or privately in the way of financial gain or advantage, that member should disclose the fact and should not vote upon that question; because the courts of the state might say that the measure was put through by the vote of the men interested in the proposition; so, following the provisions of the constitution and leaving the matter to the individual conscience of each member, the chair cannot hold that the lessees are entitled, or are not entitled to vote, but shall leave that matter to the individual conscience of each man who sits upon the floors of this House, be he lessee, lawyer, doctor or any class of citizenship.

EXECUTIVE OFFICE.

Guthrie, Okla., May 11th, 1908.

TO THE HONORABLE HOUSE OF REPRESENTATIVES:

House Bill Number Two Hundred Eighty-four is hereby returned without approval for the reason following:

First—Sections Five Hundred Thirty-four to Five Hundred Thirty-nine, Wilson's Statutes, cover this class of improvements, as well as other municipal improvements and we find no new matter in this bill. There is a possibility that the approval of this bill with its repealing clause would endanger all other classes of municipal improvements, without in any way changing the sidewalk law.

Also this bill does not provide a uniform method of collecting special assessments, which might easily endanger the validity of that feature of this law.

Respectfully submitted,
C. N. HASKELL,
The Governor.

Mr. Speaker stated the question to be "Shall the bill pass over the Governor's veto?" Yeas and nays being called resulted as follows:

Ayes: Evans and Porter.

Tired nerves, with that "no ambition" feeling that is commonly felt in spring or early summer, can be easily and quickly altered by taking what is known to druggists everywhere as Dr. Shoop's Restorative. One will absolutely note a changed feeling within 48 hours after beginning to take the Restorative. The bowels get sluggish in the winter-time, the circulation often slows up, the Kidneys are inactive, and even the Heart in many cases grows decidedly weaker. Dr. Shoop's Restorative is recognized everywhere as a genuine tonic to these vital organs. It builds up and strengthens the worn-out, weakened nerves; it sharpens the failing appetite, and universally aids digestion. It always quickly brings renewed strength, life, vigor and ambition. Try it and be convinced. Sold by all dealers.
