OLD KING PETER OF SERBIA SAYS DISSOLUTION OF OLD ORDER IS NEAR

Aetipsos, Island of Corfu, Feb. [illegible]—King Peter of Serbia [illegible] 22—King Peter of Serbia [illegible] allow his appreciation of the [illegible] kind acts of the American people [illegible] ward his countrymen [illegible] began, today received an [illegible] correspondent and gave [illegible] freely. He also [illegible] Hidden away in this [illegible] able spot, hemmed in by [illegible] illusionment and [illegible] ally broken virtually [illegible] gone, his native land [illegible] ancient opponent, the [illegible] grimly clings to life in the hope of participating in the ultimate triumph of his countrymen.

[illegible] Serbia [illegible] Austria [illegible] Serbia, Montenegro, Bosnia and Herzegovina an empire of vassal states for the benefit of a mediaeval feudal nobility. But we can not stand that. We are peasants, but free peasants.

Prefer Death to Slavery.

"I am king. I come from the people, but a brave people who preferred death to comfortable, shameful slavery. My grandfather was a peasant and I am founder of that ill-fated dynasty. Crowns are lost, but the pure, clean blood of those who have lived on the earth day and night.

"I believe in the liberty of Serbia, as I believe in God. It was the dream of my youth. It was for that I fought throughout my manhood. It has become the light of the twilight of my life. I only live to see Serbia free. I pray God to let me live until the day of the redemption of my people. That day I am ready to die if the Lord wills. I have struggled a great deal in my life and am tired, bruised and broken from it."

Speaking of America's friendship for Serbia and the relief sent during the war, King Peter said:

"And those of your compatriots who have come to us as doctors, nurses—the American Red Cross, the Serbian relief and sanitary commissions—all these brave young people who have [illegible] Serbia [illegible] Austria [illegible] Serbia [illegible] Danube [illegible] Danube [illegible] the most independent kingdom, maintained by [illegible] like those of the smaller human nodes in the Middle Ages, from the new sunborn ideal of [illegible] suggested in them ready in light to the last man to realize that ideal.

"We have always wanted to live at home with the Austrians. Their [illegible] has not been our way, but we [illegible] like you Americans; it is [illegible] good terms [illegible] delightful. Often I have looked from my windows in Belgrade at the fields and mountains of Austria and have said to myself: 'Now is it possible that we should not be able to live and let live as between neighbors.'

"But it is of the very nature of a [illegible] that liberty can not and [illegible] in the same vicinity, and Austria arranged all that in the [illegible] Serbia was made merely a tributary to Austria. She was no longer free at all. By the treaty of last she renounced at her rights. Today again Austria [illegible] to follow towards Serbia—crushed the same policy as before—by [illegible] Serbia, Montenegro, Bosnia and Herzegovina an empire of vassal states for the benefit of a mediaeval feudal nobility. But we can not stand that. We are peasants, but free peasants.

To Overcome Winter Complexion Troubles

If the chill air causes your skin to dry and scale or become mottled red or spotted, before you go in [illegible] spread a thin layer of ordinary mercolized wax over your entire face. Remove next morning with warm water. This is the ideal complexion treatment for the winter skin. The wax gently absorbs the dead particles of surface skin, so gradually there's no discomfort. This gives the underlying skin a chance to breathe and to show itself. In a week or so the new and younger skin is wholly in evidence and you have a really native less complexion. Naturally all its defects disappear with the discarded cuticle—as chaps, roughness, blotches, pimples, freckles, blackheads. Usually an ounce of mercolized wax procurable at any druggists, is enough to renovate even the worst complexion.

Wrinkles need bother you no more if you'll use this simple face wash: Powdered saxolite, 1 oz., dissolved in witch hazel, ½ pt. Just one application will affect even the deepest lines.

A SURE WAY TO END DANDRUFF

There is one sure way that has never failed to remove dandruff at home, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will complete it, dissolve and entirely destroy every single skin and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

RIGID RULES TO PROTECT GAME IS OUTLINED

GAME WARDEN SAYS GOVERNOR IS BEHIND HIM IN ENFORCEMENT PLAN

Oklahoma City, Okla., Feb. 22.—The annual report of the state game warden for the last year has just been issued. The financial statement shows $219,161.39, including the $94,[illegible] 1915, leaved the state capital fund, to the credit of the department on January 1. The net receipts were $115,664.20 and the total expenditures $94,547.19 for the year. As high as fourteen game rangers were employed for short periods during the open season at a cost of $1,171.21 who collected in fees and license sale $1,423.33, or within $247.87 of their total salaries and expenses.

Over twenty prosecutions and forfeitures, convictions are the result in round numbers, while twenty-two confiscations were secured on arrests made by assistant deputies and the warden recommends that all law officers of the state be specifically required to enforce game laws on penalty of removal. Gov. Williams is given much to the credit for what has been accomplished by reason of his personal condition and deep interest in the preservation of Oklahoma's game.

Naturally the most interesting pieces of the report are discussions of the game situation by the state. Closed seasons are recommended for deer and turkey and a feasible plan is recommended for the propagation of deer. An extension of the duck season is asked, a short open season for plover and prairie pigeon, hunting on growing grain, food nothing and joint Oklahoma is also emphasized.

A cable that has potential storms is concentrated in its crowds. A few doses of WHITE'S CREAM VERMIFUGE destroys and expels worms. This child immediately improves and will be wonderful. Price 25c per bottle. Sold by Owl Drug Store.
