Crude Oil to $4 a Barrel

The growing demand for oil makes [illegible] $4 a crude gushing. The real opportunities of America are in the Middle West Oil Fields. Great fortunes are making millions in consolidating oil properties and through rich hauls are floating new companies, backed by oil properties. These big men know that oil will mount in value if war comes and transportation greatly advance to help hold after prices secured.

The Uncle Sam Oil Company is a pioneer independent. It built the first three independent refineries in Kansas and Oklahoma.

It has capable men at the head of its different departments and is gaining wealth every week. It is owned by over eighteen thousand stockholders, representing every congressional district in the union. It is the real people's company. That is why it is sure to fill the red. It is [illegible] tank wagons and [illegible] at least thirty states.

This Company is [illegible] has demonstrated its ability to protect itself from the [illegible] and intrigue of the oil business, [illegible] having taught the [illegible] prosecution to prosperity. [illegible] to 40 to 70 [illegible] and even [illegible] ing until the producing [illegible] ten thousand barrels [illegible]

The oil fields in Illinois [illegible] Colorado, Kansas, Oklahoma, Texas, Louisiana, New Mexico [illegible] as have never been [illegible]

The future [illegible] than in [illegible] now able to establish [illegible] drills in [illegible] certainly mean a [illegible] from 10 to 100 times.

Stock that [illegible] the sacrifice offer [illegible] tainly in a few years [illegible] dividends yearly [illegible] remit to own it. The Uncle Sam Oil Company now has [illegible] nineteen (19) different wells.

We have one property in the Red Fork district within [illegible] of our Tulsa, Oklahoma, holdings gives great promise of being the richest lease in that [illegible] will not surprise us if it proves to be a producer over Two Million Dollars of oil when developed. [illegible] eighteen months. There are [illegible] producing sands in this district and besides a deep productive [illegible] The Uncle Sam Oil Company controls about fourteen hundred acres in the Red Fork district. Two new wells started natural at about two hundred fifty barrels per day. We will have in five more new wells on this property within four to fifteen days. We have at least two hundred locations in the deep and shallow sands on this one property. Our chances are good to have from 500 to 2000 barrels daily of high grade oil in this district within a few weeks.

The pipeline of The Uncle Sam Oil Company is completed and in operation for over 125 miles connecting the larger percentage of its oil producing property.

We will soon have one hundred (150) fifty producing wells and we still left on practically proven grounds for 400 to 500 additional producers.

This oil from this rich new Red Fork pool that should soon reach from 500 to 2000 barrels per day is about onefourth gasoline. This splendid lease is connected with two of our refineries in two states. [illegible]

Prospective pickers were advised to register with the employment bureau.

TERRIBLE ITCHING OF PIMPLES

On Limb, Hard and Large, Terrible Pain at Night. Could Not Sleep. Inside of a Month

HEALED BY CUTICURA SOAP AND OINTMENT

"My left limb was the seat of a terrible itching which was hard and large. The itching of these pimples was terrible, and at night I could scarcely sleep. They then started to get red and inflamed and the pain was excruciating. I had a terrible time for about a month, and I was at a loss to know what to do. I tried various remedies without avail. I saw the Cuticura Soap and Ointment advertised and I decided to try them. After I used Cuticura Soap and Ointment I noticed a change for the better. I used the Cuticura Soap and Ointment for about two months, when I was cured. I have used Cuticura Soap for all my family since then, and we always keep the Cuticura Soap and Ointment in the house."
