Most Popular Garment in a Woman's Wardrobe

So it behoves you to select your suit with a great deal of care and make sure it shows the new and tremendously important touches that denote it as out of the commonplace. Here we present an unending variety of the most favored styles that women in every walk of life will want. Severely plain styles for every-day business wear as well as the more dressy models for informal social occasions. If you will come and see the new models, try them on, you will feel the pleasant lure to buy—they are so irresistably distinctive. We are showing a great variety of models, in a wide range of prices.
