SENATOR OWEN

On His Way to Washington—Will Endeavor to Secure Financial Relief for Oklahoma.

Muskogee, Okla., Nov. 25—After a telephone talk with Governor Haskell over the telephone, Senator Robert L. Owen, left on an afternoon train for Washington, where he will endeavor to have Sec. Cortelyou turn loose the $5,000,000 school fund in Oklahoma where it will do the most good to relieve the financial stringency. In addition to this, Senator Owen will receive his committee assignments.

This fund is now in the United States treasury. It was placed there by the government to offset the school fund of Oklahoma.

The depositing of this money in the depositories of Oklahoma, Senator Owen believes will add much to restore normal conditions, and be of great relief to the state.

The senator will return home for the holidays.

Domestic Science Demonstration.

The ladies of the Civics Club gave a demonstration in domestic science at the home of Mrs. J. W. Orr last Saturday afternoon.

The committee in charge consisted of the hostess Mrs. Orr, assisted by Mrs. Pershing, Mrs. Swain, Mrs. Seymour Jones, Mrs. Probasco and Mrs. Lahaman.

At two o'clock the kitchen presented a lively scene as the ladies, bent on gaining culinary information, witnessed the demonstrations. Mrs. Pershing was the first to show her skill in the art with an angel food cake.

Mrs. Jones came next with a souffle assuring the ladies of its success whether it rose or fell. Mrs. Probasco's contribution was an old fashioned custard pie. Mrs. Swain demonstrated with cream puffs, Mrs. Orr with Cheese on toast and biscuits, while under her supression the chicken was fried and gravy made by the colored cook Aunt Amanda. Mrs. Lahaman superintended the making of the coffee with the electric percolator.

The demonstrations were all a success and the ladies feel that this department in the club work will prove both interesting and instructive. Those present were Mesdames Pershing, Wright, James, Jones, Lahaman Swain, Probasco, Burckhalter, Kornegay, Warner, Behout, McFarland, Cross and Wade Misses Cross, Maxwell Quigely.

AN EXPLANATION

Inadequate Gas Pressure Due to Clogging.

Mayor Sam Parks received the following letter from Homer M. Preston, secretary of the Vinita Gas company, at Bartlesville yesterday, which explains the shortage of gas which has troubled Vinita of late. The letter follows:

Bartlesville, Okla., Nov. 23—Mr. S. F. Parks, Mayor of Vinita, Okla. DEAR SIR—Replying to your favor of the 14th inst., asking for investigation relative to the gas plant at Vinita, would say that we have given the matter considerable personal attention and from what we are able to learn the trouble is caused by the clogging of the line near the wells, but not through the shortage of gas. You are, of course, aware that it is a matter of vital importance to us to give your people the best possible service, which we are endeavoring to do and the men in charge are among the most competent in the business and I assure you that we are using every endeavor to keep the plant in first-class condition. Respectfully,

VINITA GAS CO.

By HOMER M. PRESTON, Sec'y.

A BIG FAILURE IN GERMANY

Hamburg, Nov. 22—The firm of J. F. C. Moeller, manufacturing shelac, wax and candles, one of the largest firms in the world of its kind, susended today. The liabilities are $2,000,000. The assets are $500,000. Some of the most important Hamburg and German banks as well as a number of English firms are involved in the failure of Moeller. The export firm of Krohn & Reinhoh has suspended.

Old Fashioned Mother.

Thank God some of us have, and others have had, an old-fashioned mother. Not a woman of the period, enameled and painted; with her great curls and bustle; whose white, jeweled hands never felt the clasp of baby fingers; but a dead old-fashioned, sweet-voiced mother, with eyes in which the love-light shone, and dark hair threaded with silver, lying smooth upon her faded cheek. Those dear hands worn with toil, gently guided our tottering steps in childhood and smoothed our pillow in sickness; ever reaching out to us in yearning tenderness, when her sweet spirit was baptised in the pearly spray of the river. Blessed is the memory of an old-fashioned mother. It floats to us now like the beautiful perfume of some woodland blossoms. The music of other voices may be lost but the entrancing memory of hers will echo in our souls forever. Other faces will fade away and be forgotten, but hers will shine on until the light from Heaven's portals shall glorify our own. When in the fitful pauses of busy life our feet wander back to the old homestead, and crossing the well-worn threshold, standing once more in the low, quaint room, as hallowed by her presence, how the feeling of childish innocence and dependence comes over us, and we kneel in the the molten sunshine streaming in the western window—just where, long years ago, we knelt by our mother's knee lisping "Our Father." How many times when the tempter lured us on has the memory of those sacred hours with mothers words, her faith and prayers, saved us from sin. Years have filled great drifts over between her and us; but they have not hidden from our sight the glory of her pure, unselfish love.

Everybody who has attended the convention at Muskogee reports it one of the biggest things ever held in this neck 'o the woods.

H. A. Williams of Elmwood Neb., is here looking for a location.

PYTHIANS MEET

Big District Meeting In Session Here Today.

The Knights of Pythias are taking the city today. As formerly announced a District meeting is being held and delegates from many of the surrounding towns as well as the county districts are in attendance.

The meeting was called to order at 2:30 o'clock, and after the regular order of business, the ranks were conferred upon several candidates. There will be a big banquet tonight at the lodge room in the Halsell building, to which a large number of persons have been invited. The home boys are enthusiastic over the meeting and the splendid growth the order has made during the past year. A full and complete report of the meeting and banquet will be published tomorrow.

Idleness.

Idleness is a crime, punishable by nature to a life of empty nothingness. It is the mother of misery, want and pain, it degrades and pollutes every person to whom it becomes attached. Idleness is the greatest enemy of the human race; it rots all that is good in man, resists the effort that accomplishes and seduces the ambition which attains the worthy things of life. It over powers the will, subdues the noblest aspirations of the soul and feeds upon the mental, moral and social garbage of the earth.

Some Expense.

The public will be interested in knowing, that from October 1, 1907, to November 15, 1907, the Federal government paid at Vinita through the U. S. Marshal's office, travel of witnesses to the amount of 11420 miles, this mileage having been earned by 670 witnesses who attended as follows:

Salaries, fees and expenses, December quarter, 1907, $4,307.86.

Salaries, fees and expenses, supplemental to September quarter, $9.66; total, $4,317.52.

Fees of jurors, December quarter 1907, $2,545.70.

Fees of jurors, supplemental to September quarter $21.00; total $2,566.70.

Fees of witnesses, December quarter 1907, $6,118.00.

Fees of witnesses, supplemental to September quarter $151.30; total $6,269.30.

Support of prisoners, December quarter, 1907, $2,178.24.

Pay of bailiffs, December quarter $348.00.

Miscellaneous expenses, $570.26. Grand total, $16,250.02.

THOUGHT TULSA AN INDIAN TOWN

"I was never more surpised in my life," said Otto Straube, of Alton, Ill. "When I stepped off the train in Tulsa, I had expected to find a wild and wooley town with cowboys and Indians the predominating features and instead, I see a magnificent city with paved streets, street car system and sky scrapers. You certainly have a wonderful city with possibilities for growth greater than any I have ever seen. My visit here has certainly been an eye-opener for me and I will be a walking advertisement for this city wherever I may go."—Tulsa World.

Hon. E. J. Hobdy, will represent Craig County in the coming legislature. We predict that he will be a useful and active member. He is a young man, of splendid educational attainments; well anchored to Democratic principles and a speaker of fine address.

THE DEDICATION

A Great Cause—A Great Speaker And a Great Day

Monday, Nov. 25.

The dedication of the new Christian church was the center of attraction yesterday, and the subject of comment today. It seemed that all the hard labor, sacrifice, anxiety and prayers of the pastor and the church had reached their zenith, bloomed into fruition, and the entire city joined in singing the reapers song with joy.

No pains had been spared to have the new building all in readiness and was beautifully decorated in the most artistic way. In the morning General Z. T. Sweeney, of Columbus, Ind., chose for his theme, "The Gospel Is God's Power." This theme was treated under the sub-division as follows. 'The Gospel is God's power in civilizing the nations; God's power to elevate society, and God's power to refine the homes. By comparing the various nations and their religion, the speaker showed that in proportion as a nation or people embraces the religion of Jesus Christ it is civilized, prosperous, educated, refined and happy. After sending this lesson home to every heart in the most beautiful and appropriate language that human tongue could command, General Sweeney spoke briffy of the new building to be dedicated and said we had met for that purpose but there was just one little thing in the way, that was a little indebtedness and that we must raise about $2,500 before we could offer the church to our God who had so graciously blessed us.

As soon as the opportunity was given the Ladies' Aid society lead out with a voluntary subscription of $300. Others began to follow with their two hundred, one hundred, fifties, forties, twenty-fives, twenties, tens and fives. Never did people enjoy giving as they did here, and it was soon found that $3,105 had been subscribed. The audience then adjourned services until 3 o'clock, and repaired to the magnificent basement of the church for luncheon. The tables were spread and loaded with dainties and luxuries and everything desired to make a hungry man happy.

At 3:00 p. m. Gen. Sweeney spoke on the position occupied by the Christian church. In this most eloquent and logical address he showed the peculiarity of the Christian church is that they have no peculiarities, but occupy a common basis of Christian unity, and that sooner or later all Christiandom will clasp hands of sweet fellowship on the same basis. He said we, as a church, seek not to teach and practice that which is accepted by one church and rejected by anothe, but that which is accepted and undisputed by each and every church. Hence, we take faith in Jesus Christ as our only creed, and loyalty to Him as our only test of fellowship.

Most touching eulogies were passed on many religious teachers who differ from Mr. Sweeney, and he held no stones to cast at any church, or any person who strives to do right, be he ever so imperfect, but he anxiously looks for and longs to see the day, when all soldiers of the cross line up in one great army of the Lord and fight the battle for righteousness unto victory.

The church was dedicated unto Almighty God at the close of the afternoon service, and General Sweeney took the 6:25 train on the Frisco for his home in Columbus. The evening services were largely attended by several of the other churches of ur city and a number of out of town people. Some special and delightful pieces of music were rendered. Rev. Moore of the Baptist church and Rev. Chubb each made an encouraging talk, and Elder Hawkins, of the Christian church at Pryor Creek, preached a very enjoyable and instructive sermon.

The large auditorium and adjoining departments of the church were filled at each service throughout the day, and while some sang hymns of gladness others shed tears of joy.

Too much credit cannot be given to Gayloed N. Behout and others who labored so untiringly and efficiently to make the music a great success; and to the good people of Vinita and vicinity who have contributed so generously of their mess to erect this commodious and modern building. May it stand many years to gladden the hearts of those who pass by. May children be taught to remember their Creator in the days of their youth in its Bible school and Endeavor rooms, and may the issues of eternal life ever flow from its pulpit.
