CLARKSVILLE.

Death of an Estimable Lady—The Masonic Celebration at Halesboro.

Correspondence of the Gazette.

CLARKSVILLE, June 23.—Again our city has had a gloom cast over it by a sudden death in one of our most prominent families. Mrs. Fannie Epperson died suddenly yesterday evening at Eureka Springs, whither she had gone a few weeks since with her sick husband, Mr. R. B. Epperson. The deceased Mrs. Epperson, nee Crawford, was a sister of the prominent attorneys at Dallas, Crawford & Crawford, and her husband the son of the late Col. Ben H. Epperson, distinguished jurist, politician and statesman, who for many years was a shining light not only in Northeast Texas, but all over the state. Mrs. Epperson was a handsome, accomplished lady and a devoted wife and mother, and her sudden and unexpected demise has saddened the hearts of all. But a short time ago she affectionately bade her little girl and boy good-bye, leaving them in charge of their grandmother, Mrs. Crawford at Dallas, promising them soon to return, while with true wifely devotion she turned her undivided attention to her suffering husband as they took up their temporary abode at that mecca of health-seekers, Eureka Springs. Mr Epperson is now lying very low at the above place of Bright's disease and is unable to accompany his wife's remains which will arrive to-morrow. Appropriate services will be held, after which she will be buried in the Clarksville cemetery.

Quite a large number left this evening to attend the Masonic celebration at Halesboro to-morrow, among whom were Judge Wooten, Hon. A. M. Taylor and Capt Geo. F. Burdett. As there will be quite a commingling of candidates from both Lamar and Red River counties, it is possible they may combine duty with pleasure and some of the most self-sacrificing be induced to cast aside their modesty sufficiently to speak their piece.

To-morrow the united Sunday-schools will hold their annual picnic at the Gordon grove. It was announced for the 1st of May but has been postponed from time to time on account of the weather.

'Squire James T. Fleming returned home a day or two ago from his ranch in the western part of the state, where he had been looking after his stock interests and whooping up free grass and the Fort Worth GAZETTE.

The weather is decidedly warm and we are all well satisfied that the summer solstice is upon us. It is fair and bright and all crops are booming.

Railroad Arrangements.

CHICAGO, June 24.—John Forsythe and John H. Calvin of the local reception committee announce that all the railroads leading to this city have agreed to carry persons attending the national Democratic convention for one fare for the round trip, good from July 5 to the 14th, with the exception of the Northwestern and Milwaukee & St. Paul roads, which will charge one and one-fifth and one and one-third fare respectively from non competitive points.

TELEGRAPHIC MARKETS.

New York Stock Market.

NEW YORK, June 24.—Governments quiet; Western Union was sold and fell off ⅝ to 50⅞ on account of the enormous blocks of stock that were thrown on the market, and it was the impression that the bulk of transactions were "washes." Early improvement was lost, but the resistance offered by the Western Union had a strengthening effect on the list and turned the market in the direction of higher prices. In the advance which followed Lackawanna rose 4⅝; Louisville & Nashville 2½, Northwestern 2¼, Union Pacific 2⅛, St. Paul 2 and the remainder of the list ¼ to 1 5-8 per cent. About 11 o'clock the failure of Matthew Morgan's Sons was announced and a general selling movement set in. Lackawanna dropped 5¼, Northwestern 2⅝, Missouri Pacific 2¼, St. Paul 1⅞, Western Union 1¼ and the remainder of the active list ¼ to 1 3-4 per cent. It was subsequently ascertained that the suspended firm were not members of the stock exchange and a firmer feeling prevailed, and prices rose ¼ to 1½ per cent. at intervals during the afternoon. Unsuccessful attempts were made to break Western Union and led to several reactions. Transactions in Western Union aggregated 93,514 shares, an unusually large total. Late in the day the market was active and bouyant, and many stocks sold at highest point. The market closed strong compared with last night; closing prices are 3 per cent. higher for Northwestern, 1¾ for preferred, 2¾ for Quincy, 2½ for Rock Island, 4¼ for Lackawanna, 3¼ for Delaware & Hudson, 2½ for Central, for Lake Shore, 1½ for New York Central, 1⅛ for Northern Pacific preferred, 1¾ for Pacific Mail, 1¼ for Union Pacific and 1½ for Western Union. A director of the Louisville & Nashville says: "We have held a very harmonious meeting, and good progress was made toward relieving the company of its financial troubles." Transactions 436,000 shares.

Special to the Gazette.

ST. LOUIS, June 24.—Wheat slow at the opening, but improved later.

The almost utter absence of orders from the outside for corn was strikingly shown in this market to-day. It was impossible to work up any speculative interest among the local crowd who, when they wanted to do anything, turned to wheat, and the country was sending no orders in to either buy or sell.

Receipts were again quite full from the country here. Cattle offerings fair and prices higher. Texas grass $4 00 to $4 55; corn-fed $1 00 to $5 80; sheep steady.

Special to the Gazette.

CHICAGO, June 24.—Notwithstanding the rumors of failures in Wall street, New York, the bears could not down prices, but on the contrary there was an advance of ⅛ to ⅜ on wheat and corn. Buyers were a little shy and purchases were only made for a scalp. The decrease in the visible supply of wheat was the lever that pushed up prices.
