LONDON, April 30.—1 P. M.—Consols opened this morning at 94⅛, soon advanced to 94⅜, then to 94 11-16, and are now quoted at 94 15-16 for both money and account.

ON THE NEW YORK BOARD.

NEW YORK, April 30.—Government bonds quiet and unchanged, except for the 4's, which are ½ lower. There was a sale of 3's at 102⅜ and of 4's coupon at 122.

State bonds are steady.

The stock market was a little active and there was a somewhat better distribution of business. Prices were strong at the opening, the Pacific Mail being the feature and later in the day they were steady and then heavy again and closed at a slight reaction for many stocks at prices which show a net gain of ⅛@¾c for the active list and from ½@1 per cent for some of the inactive stocks. A few stocks are a trifle lower.

The European news this morning was interpreted generally as indicating an inevitable conflict at a very early day. It is conceded alike by the bulls and the bears that an actual declaration of war will be followed by a much more active stock market.

The total sales to-day were 33,040 shares.

MONEY.

NEW YORK, April 30.—Money—On call, easy at 1@1½ per cent., closing at 1 per cent.; prime mercantile paper 4@5; bar silver $1 08@1 08½; foreign exchange very dull; actual business $4 86@4 88.
