FINANCIAL.

ON THE LONDON BOARD.

LONDON, May 6, 1 P. M.—Consols closed at 98. Shortly after noon they advanced to 98¾, and are now quoted at 98½.

Russian securities are 91½.

Stocks are quiet. Home and foreign securities are steady.

NEW YORK, May 6.—Consols are 98½.

1 P. M.—Consols are 98⅝.

2 P. M.—Consols are 98⅝ for both accounts.

4 P. M.—Consols are 98 13-16.

ON THE NEW YORK BOARD.

NEW YORK, May 6.—Government bonds unchanged, except a decline in 4s ¼ per cent.

There has been a decided reaction in the stock market to-day. At the opening the bears were surprised at the strength displayed throughout the list especially in New York Central and Union Pacific, and this was followed by an advance in the leading rates in the former, which not culminated until as much as 2 per cent. was paid for use of the former the day. The rally was also accompanied by a decided improvement in the amount of business done, but the advance was not checked till 10 o'clock.

Late in the day an effort was made to depress prices, but the decline was checked before 3 o'clock and the market closed strong at quotations which show advances in almost everything on the list, the gains ranging from ¼ to 1 per cent.

The belief is spreading that the unfortunate war in freight rates among the Western roads is because carried on principally for speculative purposes and the sentiment on the street to-day is that this will continue till the officials, who are interested in the stock rate, have sufficiently supplied themselves with long stock, which they sold some time ago at higher rates.

MONEY.

NEW YORK, May 6.—Money—On easy at 1@1½ per cent; prime mercantile paper $4 00@5 00; foreign exchange dull but firm at $4 86½ for sixty days, and $4 88½ for short sight.

EXCHANGE.

NEW ORLEANS, LA., May 6.—Sight exchange $2 00 per $1000 premium; clearing bank $4 87; consols 63½@64½.
