LOCAL AND GENERAL,

That Bonnet.

She had an Easter bonnet,
Creation of exquisite art;
Decked with fluffy fancies
Dear to a woman's heart.
Bows, knots and bunches,
Most wonderful in effect.
She had an Easter bonnet
In shape and style correct.

She had an Easter bonnet,
In church she sat the while,
Heart athrill with pleasure,
Face aglow with smile.
Beside her I, unfeeling,
Felt no pleasure thrill,
For she had an Easter bonnet,
And I the bonnet bill.

Presbytery Meeting.

The Butler Presbytery of the Presbyterian church convened in spring session in the First Presbyterian church Tuesday morning. About 100 ministers and elders attended. Rev. E. R. Worrell of the Second church was chosen moderator, Rev. W. S. McNeese of Glade Mills permanent clerk and Rev. J. A. Cunningham of Parker temporary clerk, Rev. McLure of Freeport, Kittanning presbytery was present and was invited to sit as a member. A report as to the insurance of churches which had borrowed money for building from the general assembly was called for and the Petrolia church was reported properly insured, the reports of the Summit and Jefferson Centre churches was kept in the hands of the committee.

At noon all the attendants dined in the Sunday School room of the church, the repast having been prepared by the church ladies.

Rev. G. R. Edmundson, of Slipperyrock was elected principal delegate to general assembly, and Rev. Paul J. Slonaker, of Zelienople, alternate; Geo. K. Graham, of Middlesex, principal elder, and C. N. Boyd, alternate. Rev. Wilbur M. Campbell, of Canton presbytery, China, was received by letter. Rev. Campbell left two years ago to enter the mission fields. D. T. Kuhn, of Concord, and E. W. Byers, of Fairview, were examined and received as candidates for the ministry.

Reports of the different boards of the church are encouraging. A total of $3,597 was raised for home missions, a net gain of $300 with churches to hear from; Contributions to foreign missions were $4,150, and to church extension $121.

Rev. W. J. Hazlett, of Buffalo church was appointed chairman of the Committee on Systematic Benficence to fill a vacancy caused by the removal of Rev. W. C. McClure from the bounds of the presbytery, Rev. J. R. Conlter, of Scrubgrass, and J. C. Redic, of Butler, were appointed a committee to represent the presbytery in the coming centennial celebration of Butler county.

The death of Charles M. Covert, son of Elder Milton Covert, of Plains church and a candidate for the ministry under the care of this presbytery, was reported by Rev. H. E. Snyder of Butler.

Licentiate J. E. Miller was received from Allegheny presbytery and was tendered a call from the congregations of Bruin, Petrolia and Fairview. On account of an irregularity in the Fairview call, the matter was tabled until the June meeting, at which time Mr. Miller will be ordained.

The report on pastors' salaries was the best in 10 years. Most of the congregations were paid up in full to the end of the last quarter, and those in arrears were only for small amounts.

At the night session some members spoke freely on the proposed overture to the general assembly asking that the tenure of office of the stated clerk of that body be fixed at five years, and his salary at $2,000 per year.

The complaint is not made against Dr. Roberts as an officer so much as against the manner in which his salary has been raised from $2,000 to $4,000, and the spirit of indifference in which protests have been treated.

One member said when he made a protest to the committee last year about the size of the salary, he was told that he should be thankful that it was not made $5,000. This presbytery, said another, has been so economical that it could only pay half the delegate's expenses to the synod, while they permit Dr. Roberts to rob us. The overture was passed.

Another knotty problem before the presbytery was the request of Plains church to have its union with Crestview dissolved. This trouble began a year ago, resulting in the resignation of Rev. H. E. Snyder, the pastor, and a commissioner of the Plains church stated that the trouble would be serious unless the request was granted. No adjustment had been reached at the adjourning hour, but next morning Rev. Snyder was deputed to supply one congregation, and Rev. Worrel the other.

The Presbytery finished its labors, yesterday noon, and adjourned to meet at Bruin on the first Tuesday in June.

PARK THEATRE.

ONE OF OUR GIRLS. APRIL 30.

"One of Our Girls," the comedy that Henrietta Crosman will present to local playgoers at the Park, April 30, is hailed everywhere as the best play that Bronson Howard ever wrote. This is certainly high praise, for Mr. Howard is recognized as the greatest living American playwright, and has written more successes than any other one man, notably "Shenandoah", "The Henrietta" "The Banker's Daughter", "Young Mrs. Winthrop", "Aristocracy", and a score of others almost equally well known.

In proof of the merit of Miss Crosman's latest success, "One of Our Girls" was played continously for an entire year at the Lyceum Theatre in New York, which is almost the record for long runs in the Metropolis, and certainly the longest that one of Bronson Howard's plays ever enjoyed.

Grand Opera House Pittsburg

For the week commencing April 23rd the patrons of the Grand Opera House, Pittsburg, are offered something unusually good in the way of farce comedy. The stock company has an established reputation for comedy work, but it is not every comedy that has the opportunities to be found in William Gillett's most rollicking piece, "Too Much Johnson." This play, following his earlier efforts, such as "The Private Secretary" and "Secret Service" came as a revelation to his admirers; the humor was so much more abundant and spontaneous than in anything he had done before.

The New Royal Sewing Machine sold by Amy & Brown has every good point of every high grade machine made. We will sell you three machines and warrant each one of them for ten years for the $65.00 he asks you for one. Don't allow him to "do" you.
