STATE OF TEXAS

State Highway Department.

Notice to Contractors for State Road and Bridge Construction.

Notice is hereby given that sealed proposals for the construction of highway improvement in Brooks County, will be received at the office of the County Judge of Brooks County, at Falfurrias, Texas, until 10 o'clock a. m., September 26th, 1918, and then publicly opened.

Description of work to be done.

For excavation, grading and preparation of sub-grade, placing caliche surface, excavation for and building concrete bridges and culverts on road from Falfurrias to Encino, 22 miles, and Encino to County line, 10.74 miles, Brooks County.

Detailed plans of the work may be seen for examination at the office of the County Judge of Brooks County, Falfurrias, Texas, and at the office of the State Highway Department, Capitol Building, Austin, Texas.

A certified check for Two Thousand (2,000.00) Dollars made payable to the order of the County Judge of Brooks County, must accompany each proposal. The right is reserved by the party of the first part to reject any and all proposals and to waive all technicalities.

Proposals may be sent by mail, and when sent by mail shall be enclosed in an additional sealed envelope properly marked as indicated above. All proposals otherwise submitted will be rejected as irregular. Only sealed bids will be considered.

All bids received will be retained by the Department and will not be returned to the bidders.

This the 9th day of September, 1918 by order of the Commissioners' Court.

D. D. KIRKLAND,
County Clerk, Brooks County, Texas.
(SEAL) —Advto Sept.26

NOTICE TO NATURAL GAS CONTRACTORS.

Sealed proposals will be received by the City Secretary of the City of Corpus Christi, Texas, until 4 o'clock p. m. Friday, October 4, 1918, for furnishing the City of Corpus Christi and the inhabitants thereof with an adequate supply of merchantable natural gas in such quantities and under such pressure as may be required by the City for a period of ten years.

Bidders shall submit with their proposals detail specifications of the wells, pipe lines and appurtenances they propose to construct which shall fully cover all methods of construction and character and kind of material and pipe that they propose to use.

Bidders shall indicate the approximate locality of their source of supply of gas and its distance from the city limits by land or water or both.

Bidders shall submit alternate prices for the gas furnished at the gas wells and at the city limits.

Bidders prices shall be based on a sliding scale varying from a price per 100,000 cubic feet to one million cubic feet per diem.

Bidders shall state time when gas well construction will be begun and the probable time of completion and shall agree to carry on such construction continuously until completion.

Proposals for this contract shall be accompanied by a Bidder's Bond for $5,000 made payable to the City of Corpus Christi, conditioned upon that after carrying into execution the provisions of his bid. The successful bidder shall furnish bond in the sum of $5,000 conditioned that gas shall be furnished by the contractor in accordance with the contract.

Bidders must present to the City Council satisfactory evidence of their ability and financial resources to fulfill their obligations under the contract.

All bids presented before the hour named will be opened and read at the regular session of the City Council on said date and will then be laid on the table for 24 hours. Thereafter the council may reject all bids or accept such bid as in the judgment may be deemed best.

The bidder to whom may be awarded the contract shall within ten days of said award enter into a proper agreement with the City to fulfill the contract according to the terms of his proposition and specifications. Notice to bidders and such regulations and conditions governing construction of wells, pipe lines, character and quality of gas, pressure to be maintained and other pertinent specifications as may be mutually agreed upon. It being understood that in case the contractor fails to secure a proper gas well after drilling for 1,000 feet, he shall have the right and privilege of an hours of being released from the contract and bond. It is also understood that should the contractor produce a successful gas well and succeed in furnishing the city with gas, it shall then become obligatory upon him to drill an additional well or wells in such number that an uninterrupted supply of gas may at all times be produced and furnished to said city during the life of the contract or until the gas field shall become exhausted.

The City reserves the right to reject any or all bids or to accept that one which is the opinion of the City is for its best interest.

By order of the City Council.

ROY MILLER, Mayor.
ED CURAGE, City Secretary.

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of Chas. H. Fletcher and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.
