ADDITIONAL NAMES ARE ADDED TO ROLL OF HONOR AT UNIVERSITY OF TEXAS

AUSTIN, Texas, Nov. 2.—The following names have been added to the Roll of the Dead of former students of the University of Texas in the service, the death in each case being due to pneumonia following influenza: John Paul Jones, '22 Law, Del Rio. Walter Walker Watkins '21 Arch, Dallas. Oscar Calhoun '24 Pharmacy, Houston, and Samuel Forbes Chilcote, '14 Eng., Cameron. Texas Jones had not entered the S. A. T. C. His death was the only one in the University during the influenza epidemic. Walter Watkins enlisted in the army about three months ago. His death occurred October 21 at Mare Island, California, where he was in training. Oscar Calhoun enlisted in the navy aviation, and he produced a cablegram in June. He died at the naval hospital Naval Training Station October 21. Samuel Chilcote made several attempts to get into the service and after one had been turned down in the draft he got in the navy. He was discharged last July in '17 when he was accepted for the navy. His death occurred in Lake Erie and on the Great Lakes Suburb.

Lieutenant William H. Clarke, '19 Eng., Houston, was reporting wounded to father in this month. Clarke is a Lieutenant Colonel and recently honored for the French Government which presented him with the Croix de Guerre. He was in the aviation branch of the service. John M. Cannon, '18 Arch, Stamford, was reported severely wounded in action.

CLEMENCEAU PRAISES WAR WORKERS.

Thanks to the American workers, explosives are going to the French army a substitute for home which the Germans are converted in a letter to M. Georges Clemenceau, Premier of France, by Bernard Baruch, director-general of the War Industries Board. The letter was addressed to the American Y. M. C. A., which contributed considerably to the success. M. Clemenceau expresses sincere hope for the success of the financial drive which the Y. M. C. A. is making in connection with six other organizations in the United War Work Campaign.

"EVERY MOHAWK A MASTER PIECE."

"Every Mohawk a masterpiece" is the old motto adopted by the Payne & Stoddard Company, of Phoenix, Arizona.

For this reason it seems to be an unusual fact to residents of Arizona, including those who are going Northward and through the efforts of the Payne & Phoenix distributor.

A circular letter sent out by the president of the Payne & Stoddard Company reads:

"Put Mohawks on the hardest run you have and answer me the results, regardless of price, the Mohawks will prove our claim of the best tire made. We have seen Mohawks a very little while that on the hottest asphalt roads in the state. The service shown and mileage given have been 'remarkable'."
