ELLIOTT'S AMUSU
THE MOST TALKED OF AND BEST THOUGHT OF PLAYHOUSE IN SOUTHWEST TEXAS

Constance Talmadge in "GOOD NIGHT PAUL"

"So delightfully refreshing," was what a lady said about this remarkable picture. It's a comedy—a real-true-to-life-comedy—the story of two men and one wife, and an uncle who had his own ideas about matrimony.

City News : : : : : : in Brief

Announcement was made yesterday that the Harmony Club will give a pageant at the "Y" in Corpus Christi next Monday night.

William Stewart of Dallas, who, at the outbreak of the war in 1914 joined what the Germans termed the "contemptible little army" of seasoned men that great Britain threw into the breach to stop the tandem of Hun marching through Belgium, is a visitor in the city. Mr. Stewart received twenty-one wounds in battle. He is a guest at the Nueces Hotel.

Fred A. Merrill, of the U. S. Bureau of Education, Department of War Courses, is a visitor in the city, inspecting the services provided by the social centers at the city, according to Dr. A. Hoch, director of recreations of the Knights Templar schools. Mr. Merrill is most complimentary in his reference to this work locally.

PERSONAL MENTION

Mrs. J. E. Wallace, formerly of Corpus Christi, whose husband is with the U. S. Navy, is visiting Mrs. F. M. Fergusson.

Dr. Henry G. Hester is out of the city on several days.

Mr. and Mrs. E. R. Cox have returned from San Antonio where they spent several weeks.

J. C. Greenwell has returned from a trip to Illinois.

Amusements

Soldiers' Vaudeville.

The sale of seats for the Soldiers' Vaudeville Show, which is to be given Monday and Tuesday nights at the High School Auditorium as a benefit for the local Soldiers' Club, is progressing very nicely. Those who have purchased tickets are urged to have their seats checked off at Gibson's Book Store as early as possible, and those who have promised assisting their friends should get them at once, either at the Book Store or from the committee of ladies, which has the seat sale in charge.

This show is undoubtedly going to be the best of its kind ever put on in Corpus Christi. It was given these nights in Laredo and their opera house, which seats 1,200 people, was packed on all three occasions. General Cabell, Commander of the Southern Department, has had such flattering accounts of the entertainment that he has made the request that it be put on in San Antonio and it is probable that the troupe will go that direct from Corpus Christi.

All of the performers who are to take part are professionals, and this entertainment cannot, therefore, be put in the class of amateur shows. In addition to the artists already mentioned, to be seen there will be John Widman, a professional comedy juggler who was one of the favorites on the Keith Vaudeville Circuit. He not possesses a number of new and interesting tricks which will keep the audience in a state of keen attention and interest. Sergeant McKenzie, known on the "Hardy Infantman" is another who always places a big attraction and the Laredo papers all declare that he is a whole show in himself.

J. W. STAYTON "WATCHED" BY FRIENDS AT WEEKLY LUNCHEON ROTARY CLUB

Managing Editor of the Caller Who Will Go With Holland's Magazine on December 1, Is Given Farewell Party By Rotarians.

JOHN W. STAYTON.

John W. Stayton, managing editor of the Caller, who is to leave Corpus Christi on December 1 for Dallas, where he has accepted a position as editor of Holland's Magazine, was "watched" at the weekly meeting of the Rotary Club yesterday noon, at the Nueces.

The presentation of the watch was made in a short speech by Joseph Hirsch, at the conclusion of the luncheon, which was in the nature of a farewell party for Mr. Stayton, who has been a member of the club almost since its organization. The watch was presented by a number of Mr. Stayton's friends.

The luncheon was one of the most interesting that the club has held in a number of months. Lester Guest, as toastmaster, read a humorous biography of Mr. Stayton, also several short notes written for the occasion by various members of the club, the latest messages being presented to Mr. Stayton.

Mr. Stayton, in responding, made several good-natured threats at his friends, and concluded his address by expressing his appreciation for the many warm friendships that he has made in Corpus Christi, saying that they have been the sort of friends that he will never forget.

John Kendrick Bangs, noted American humorist, who, for a lecture last night, was a guest at the luncheon, and made a most delightful talk, telling of his trip to France last June and paying a beautiful compliment to the work of the Young Men's Christian Association and other agencies working for the welfare of the lads overseas.

FATHER BEARS OUT DAUGHTER'S STORY

HER ILLNESS COST HIM MANY A DOLLAR — NOTHING HELPED HER UNTIL SHE STARTED TAKING TANLAC, SHE SAYS.

"My daughter's illness cost me many a dollar, but nothing helped her until she started taking Tanlac," said the father of Miss Ethel Brewer, 206 Pearl Street, Chattanooga, Tenn.

"I suffered terribly from stomach trouble," said Miss Brewer, who joined in the conversation. "All I could eat was a little milk and white of eggs. Everything I ate caused gas to form that kept me sick and nauseated and I was miserable all the time. My hands were broken out and I was told that I had eczema. I fell off in weight until I only weighed ninety-eight pounds.

"When I finished my fourth bottle of Tanlac my hands and arms were all cleared up and the stomach trouble had disappeared. I am not nervous like I was. I sleep like a child, my color has improved, my appetite is fine and everything I eat agrees with me. I have gained fifteen pounds and feel better than I have for a long time."

Tanlac is sold in Corpus Christi by Dodd Drug Store.

SOLDIER RAISES $1546 FOR UNITED WAR FUND

Final Report of Private Bertram C. Brile Made Yesterday Shows His Magnificent Work.

A final report made yesterday to County Chairman Roy Miller shows that during the United War Fund drive contributions totalling $1,546 were collected by Private Bertram C. Brile of the 45th Artillery, temporarily stationed at Army Hospital Number 15.

Mr. Miller yesterday sent to Private Brile the following letter of appreciation:

"Will you not permit me to avail myself of the privilege of expressing my very grateful appreciation of the splendid service which you have rendered in the United War Work Fund Campaign just closed?

"It is no reflection upon the zeal and earnestness of our local committeemen and women, to say that your record in the number and amount of subscriptions secured surpassed them all. And it must be patent to all of us that the service you rendered was of the most unselfish sort, because you had no interest in the purely local aspect of the campaign, that of local pride in attaining the goal set. Your inability to see service at the front because of illness did not lessen your enthusiasm nor dampen your determination to serve your country, and this you have done as loyally and faithfully 'over here' as any soldier could have done 'over there.'

"In the years to come the recollection of this unselfish service will surely prove a consolation of inestimable value in mitigation of your disappointment in being deprived of actual service in the trenches.

"In behalf of the people of Corpus Christi, I render you sincere thanks and for them as well as myself bespeak for you success and happiness in the years to come."
