ETHEL CLAYTON

"The Girl Who Came Back"

A Paramount Picture

Reared from girlhood with a torchlight in one hand and a revolver in the other you'd think the heart of a cracksman's daughter was safe from the gentle arrow of Cupid

Not so. Ethel Clayton shows exquisitely the gradual awakening of love in the dainty lawbreaker's heart. The revolver is useful against enemies but it is useless against the accents of devotion—which come on the voice of a man whose house she entered by night through the window.

That W. S. S. Pledge Must Be Paid

Peace does not affect your W.S.S. Pledge; it is a binding obligation. Peace does not release anyone from his pledge.

That W. S. S. Pledge Must Be Paid

The only expense peace relieves the Government from is that of supplying bullets and powder. The Government must spend $50,000,000.00 ever day for months to come to take care of the soldiers and sailors. It will take a year to demobilize the Army.

RED CROSS EXPLAINS CHILDREN MAY JOIN

The chairman of the publicity committee of the Corpus Christi Chapter of the Red Cross authorizes the following statement:

Any child not attending school to become a member of the Red Cross must pay one dollar.

Children attending school may secure through their teachers in the Junior Auxiliary to the Red Cross, as did last year, dues of twenty-five cents being payable this month at their respective schools.

If however, parents wish to help the Red Cross to the extent of one dollar for each child they may do this, subject to the members of the Red Cross Christmas Roll Call Committee calling at the homes Monday. The child's certificate of membership will entitle the child to membership in the Junior Auxiliary without any additional payment.
