POULTRY AND RABBITS READY TO BE SEEN IN NUECES COUNTY SHOW

Early Arrivals of Exhibits at Sixth Annual Poultry and Pet Stock Show Give Promise That Exhibition Will Be up to Standard of Former Years

The advance guard of the Sixth annual Nueces County Poultry and Pet Stock Show was already in place last night in the Leatherwood building ready for the opening this morning. The bulk of the exhibits, however, will come in this morning. Some sick geese, New England rabbits were the first to arrive and they took a position close to the entrance where they would be seen the first thing. Some fine Orpingtons, some Rhode Island Reds and some Brown Leghorns were next on the list.

Last night most of the fancy poultry breeders of Nueces county were sitting up with their chickens giving them their final bath and manicuring their legs. This may sound like a joke but it is not. Every chicken found on exhibit in the Leatherwood building today had a bath last night. They have been fed sunflower seed and ground flax seed and other highly oily foods for days to get the right gloss in the feathers. A regular soap and water bath just like the one the baby goes in. On the last thing in order, except that the hen has her day, also was done to-day. Afterward so thoroughly is fed the feathers, a final coat is dented the hen. Following the shampoo bath the hen's feathers are straightened and colorated and then her toe nails are manicured and polished and she is ready to go on in question.

"It takes lots of time to fix a hen up ready to go on exhibition," said J. T. Hurst, secretary of the association, last night. "But then it must be time to a hen and of course the poultrymen love their hens."

The early arrivals among the exhibits give promise that this year's exhibition in quality would be well up to the best of former years if not surpassing it. A number of cups are on ground which will remain still unclaimed. The conditions on many of the cups is that they must be won three times in succession before they become the property of the winner. Poultrymen who have won them in former years are therefore more than anxious to win this year.

REGULAR MEETING NUECES CHAPTER NO 354 ORDER EASTERN STAR

This evening 7:30 o'clock, Masonic Temple. All Stars invited to attend. Officers urgent to be present. Practice for special meeting.

TO DARKEN HAIR APPLY SAGE TEA

LOOK YOUNG! BRING BACK ITS NATURAL COLOR, GLOSS AND ATTRACTIVENESS.

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients.

While many grey, faded hair is not natural, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time, by morning all gray hairs have disappeared, and after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

This preparation is a delightful toilet requisite and is not intended for the cure, mitigation or prevention of disease.—Adv.

THE DOCTOR PRESCRIBES

—the pharmacist fills the prescription. The recovery of the patient depends upon the skill, the knowledge of the doctor—but don't forget—upon the reliability an daccuracy of the pharmacist as well.

It's a time when the skill of the pharmacist is just as vital as the doctor's skill.

We fill every prescription exactly as the doctor orders—and from pure fresh drugs.

THREE THOUSAND IS INCOMPLETE RETURNS CHRISTMAS ROLL CALL

MANY DISTRICTS COULD NOT BE COVERED IN ONE DAY AND FOLLOW-UP CAMPAIGN IS SET FOR THURSDAY

COMMITTEES CONTINUED

With committees at work in each of the forty seven districts of the city, the first day of the Red Cross Christmas Membership Roll Call netted a total of approximately 3,000 in Corpus Christi with a number of committees yet to complete the canvass of their districts.

Although it was the hope of those in charge of the campaign that the first day would be productive of more than flattering results, the plan followed was such as to make it impossible, considering the detail of the work, to complete it all in one day. In addition to securing members, the committees were charged with the responsibility of preparing a list of non-members as well as members and this, of course made it impossible for them, in every instance, to fully cover their districts. However, the campaign will be pushed daily until the close, next Monday, the 23rd inst.

At a late hour last night, few reports had been received from the county districts and it is hardly likely that further reports will be received from them until later in the week.

Riverside, one of the smallest districts of the county, reported a total of fifty-nine members and only nineteen non members, the latter being all either small children or Mexicans.

Juan Saenz, a community of negro citizens about one miles west of Corpus Christi, through the chairman of the War Council, Van Francis, reported a total of eighteen members. This district was the first to report, the chairman calling at headquarters with the membership at nine o'clock yesterday morning.

Clarkwood made a partial report yesterday afternoon, sending in sixty three memberships.

Incomplete reports from other County districts were as follows:

Bright on 65; Stockton, 54; Aberdeen, 28; Kostoryz, 41.

Follow-up Campaign

Last night Chairman Roy Miller announced that the solicitation of members would continue without pause or let-up until the last minute of the campaign. The committee men and women who have worked so faithfully during the past several days will be requested to continue their labors in the districts in which they have worked to the end that every man, woman and child in Corpus Christi who can be persuaded or induced to do so will be enrolled as members of the Red Cross, before the close of the campaign.

Thursday has been set as a specific date for a follow-up campaign. Today and tomorrow the committees are asked to finish the work in their respective districts so far as they can and then on Thursday, the same districts will be canvassed again with a view to a final clean-up of non-members.

Meantime, those in charge propose to undertake the raising of a fund to be used in providing memberships for those who because of poor circumstances have been unable to join. Persons in good circumstances, who feel so disposed, are requested to send in contributions to this fund. For this purpose it is hoped that a fund of two thousand dollars can be secured.

Your credit is good for a Fordson Tractor. Glover Johns Auto Co. —581

CITY NEWS IN BRIEF

The Shubert Sextette, which appeared in the High School Lyceum course last night was rewarded with a large attendance and a very appreciative audience. It was one of the best attended courses of the year and the excellent numbers on the program drew hearty applause from the audience.

The regular weekly luncheon of the Corpus Christi Auto Trades Association will be held this noon at the Nueces Hotel. President Saunders urges every member to attend as matters of importance will be taken up.

The Glover Johns Auto Company announces the sale of a Fordson Tractor to G. H. Ritter.

Sergeant C. S. Whaley of Camp Travis is visiting Mr. and Mrs. H. N. Whaley, 503 Liberty St. Sergeant Whaley is with the Camp Exchange.

Albert Ray, who until recently operated a popcorn stand near the Taft Market will be taken to San Antonio tomorrow by a deputy sheriff. He has been adjudged insane.

Pete Whelan pleaded guilty in the City court yesterday to selling adulterated milk and paid a fine of $17.60.

Rev. Dr. Dennis, rector of the Episcopal church at Brownsville was in Corpus Christi today the guest of Dr. J. W. Sykes.

Mrs. M. M. Bell of Carthage, Mo., is here on a visit to her daughter, Mrs. N. F. Roach.

For the past six weeks Corpus Christi has been without shrimp and the epicure who likes the delicious shrimp salad has gone without. Sunday one concern made a haul of 2,000 pounds and the city could again go on a limited shrimp salad diet. The catch is verified as being 2,000 pounds. Amateur fishermen who have been compelled to fish with trailers for several weeks during the shortage of shrimp early learned of the catch, and made strong inroads on the supply for bait. On the downtown piers the catch was correctly reported as 2,000 pounds. By the time the report had reached Epworth pier it was 5,000 pounds.

Mr. and Mrs. W. M. Peabody of Fort Worth, who formely resided here have returned for the winter. Mr. Peabody owns the property that was formerly the Shell Beach Sanitarium, which they are now occupying.

Lieutenant W. C. Barnard is here from Fort Clark, on a short visit to his parents, Mr. and Mrs. James Barnard, 411 Liberty street.

Miss Pauline Coopwood is recovering from an attack of influenza.

Miss Fern Heischer is at home from Georgetown, to spent the holidays with her parents, Mr. and Mrs. W. F. Heischer. Miss Heischer teaches expression at the Southwestern University.

H. K. Graham has made application to J. A. Mount, deputy clerk of the federal court, for a passport to Guadalajara, Mexico, where he will be in charge of the branch office of the Warfield Auto Co.

Dr. F. U. Painter returned yesterday from a three weeks' trip to Pilot Point and other North Texas points. Mrs. Painter, who accompanied him on the trip, has had influenza and was unable to return with him.

Sam L. Weed, son of Mrs. J. M. Weed of 420 Staples street, who was a member of the Fifth regiment of Marines at Chateau Thierry reached his home in Corpus Christi Sunday morning. He went over the top sixteen times without a scratch but the seventeenth time a piece of shrapnel really damaged his left arm. He tells interesting stories of the big fight.

The Christmas program for the Sunday school of the First Methodist church will be given in the evening of December 24 at 7:30 o'clock. The decorations will include a beautiful scene in Bethlehem. The program will be for Armenian and Syrian relief.

GRANDMOTHER KNEW

There Was Nothing So Good for Congestion and Colds as Mustard

But the old-fashioned mustard-plaster burned and blistered while it acted. Get the relief and help that mustard plasters gave, without the plaster and without the blister.

Musterole does it. It is a clean, white ointment, made with oil of mustard. It is scientifically prepared, so that it works wonders, and yet does not blister the tenderest skin.

Just massage Musterole in with the finger-tips gently. See how quickly it brings relief—how speedily the pain disappears.

Use Musterole for sore throat, bronchitis, tonsilitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia). 30c and 60c jars; hospital size $2.50.

MUSTEROLE WILL NOT BLISTER

That W. S. S. Pledge Must Be Paid
Peace does not affect your W.S.S. Pledge; it is a binding obligation. Peace does not release anyone from his pledge.
That W. S. S. Pledge Must Be Paid
The only expense peace relieves the Government from is that of supplying bullets and powder. The Government must spend $50,000,000.00 ever day for months to come to take care of the soldiers and sailors. It will take a year to demobilize the Army.
Your money is needed to help pay the Victory bill.
Lend it in War Savings Stamps at good interest rates.

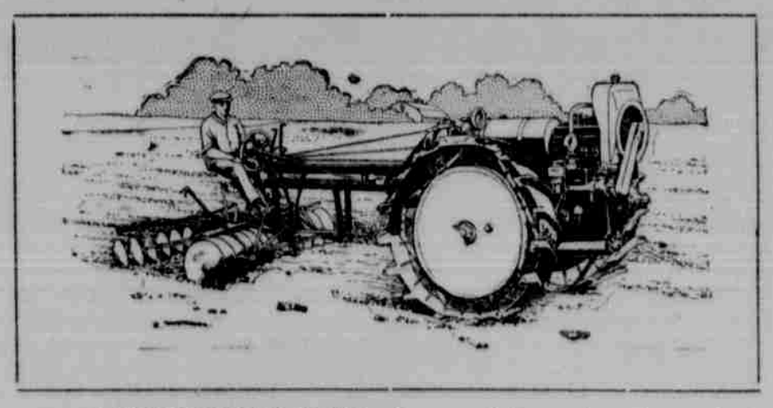
Why a Two-Wheeled Tractor



A TWO-WHEELED TYPE of tractor is best adapted to farm conditions, because ninety-eight per cent. of the weight of the tractor comes on the two large wheels and is available traction. THE MOLINE UNIVERSAL has enough power for heavy requirements, yet operates economically on light jobs. This is very essential because farm power requirements vary from light work such as cultivating to heavy work such as plowing and a tractor must be able to do all work economically and efficiently.
The two-wheel construction enables the MOLINE-UNIVERSAL to be attached to farm implements so that one man controls the entire outfit from the seat of the implement.
We have just received a car load of these tractors. Let us show them to you. You will appreciate their many advantages.
