THURSDAY CATTLE SUPPLY LARGEST OF PRESENT WEEK

South Texas Furnishes Nearly Three-Fourths of 8,000 Count

Special to The Caller

Fort Worth, Texas, April 24.—Increasing about 1,000 head on through billing, early receipts Thursday reached 7,000 and the self-feed was alone in kind. The combined receipts were the largest of the week to date.

South Texas furnished the Chute with about fifty carloads of the afternoon and fifty others were in the morning.

Several pens of good steers were shown. Some very desirable cows were among the two cars of calves that much better than anything else have brought. As a whole, quality was good. Stocks and generally speaking, cattle have sold lower by 10 cents and calves suffered a decline of 50 cents. Trading was very dull in getting a start and the clearance was reasonable.
