Plow time is here and the idea of better farming methods is abroad in the land. The once prevalent idea of "scratching" over the land has been superseded by Poor Richard's maxim, of "Plow deep while slugs are sleeping." Most of the deep plowing is being done with Chattanooga plows, sold by Moore & Mauldin who tell you, elsewhere in this issue, about the latest thing they have in the plow line. See their ad, and profit thereby.

No. 12 Cutter Share.

This is a Chilled Plow constructed after the type of steel plows. There are more satisfied customers using it now than any other plow on earth. Why? Because it is lighter draft and sheds soil as no other plow will. This plow was designed and made on the suggestion of those who plow—those who KNOW. The finish and style attract like a magnet. Dry Goods, Shoes, Underwear, etc.

To the readers of the Sentinel-Journal:

You are hearing of HIGHER prices. I am glad to say that I believe Cotton will be higher. I am also glad to say that I have bought one of the largest and best selected stocks of goods—piece goods, men's and women's underwear, blankets, shoes—in a word, a stock of goods suited to the needs of the general public, that I have ever had, and I say to you MOST POSITIVELY that my prices are NO HIGHER, and on some goods LOWER than last season.

I do not advertise to give away goods—to sell a 10c. article for 5c.—I can't do that. But compare MY GOODS and PRICES with the "give aways" and if I do not give better values, I will not ask you to buy. I want your trade and will do all I can, LEGITIMATELY, to get it. I promise you

Dependable Goods. Lowest Prices. A Fair Deal. Your Money's Worth.
