Hot, sleepless nights simply do not exist for owners of

G-E Fans

A nickle a night is not much to pay for comfort and the first cost of the fan is not high. Besides, a fan lasts for years and is useful daytimes as well as nights. We have a G-E fan to fit your purse.

C. C. RAILWAY & LIGHT CO.

Preliminaries On Breakwater Task Adjusted

Details of the partially completed contract between the city of Corpus Christi and D. M. Picton & Co., Inc., for the construction of the breakwater, were carried a step further yesterday when members of the contracting company and the city council conferred on a few matters to be attended to before work can start. It was stated by Mr. Picton that he felt confident everything would be in readiness soon.

Mr. Picton has set the wheels of his organization turning, getting together material to lay the necessary siding, and getting out rock of his quarry 17 miles north of San Antonio to be used in the rip-rap.

Assembling of the personnel also has started, but as the company maintains an executive staff, the portion of the work will consist chiefly in getting common labor. There will be no immediate call for large numbers of men and it is understood the company is in position to lay its hands on the necessary number on short notice.

Mr. Picton was careful not to make statement as to the probable date of starting work, calling attention to numerous minor details that intervene or may put themselves in the way of inaugurating his program on a set day. He gave assurance, however, that nothing would be left undone to hasten arrangements and put the finished job in the hands of the municipal authorities within the time limit of 12 months.

Legion Prepares For Festivities

A special meeting of Corpus Christi post of the American Legion will be held this evening at 8:30 o'clock for the double purpose of discussing the part to be taken by the legion in the Independence day program, July 5, and to hand out parts for the minstrel to be staged under the auspices of the organization within the next few weeks.

The street dance to be given Monday night will be under the auspices of the legion and committees to handle the features of the event will be named.

Cloud Crow, director of the minstrel, is understood to have the parts ready to be given out and at tonight's gathering the men who will strike the gags about why the chicken crosses the road and all the rest of it, will be selected, as well as the songs lands of the circle. It is proposed to give the minstrel as soon as possible and because there are a number of men who have had previous experience in amateur theatricals, it is believed two or three weeks will be all the time required.

Reports received by the post adjutant, Frank Dunlavy, from state headquarters stated that there were now 28 posts of the legion in Texas, San Antonio stands 14th in the number of paid up members.

Kingsville Band To Share Carnival

The Kingsville Mexican band of 16 pieces has been engaged by the Mexican Catholic committee to furnish music for a two-day carnival to be given in the place formerly of West and Mesquite streets, July 4 and 5. It was announced yesterday by the committee in charge. The committee composed of V. Lozano, Mr. and Mrs. Y. M. Perez, Mr. and Mrs. S. de Leon, E. S. Treviño and Joe G. Gonzalez, made a special trip to Kingsville to secure the music.

As planned, the carnival or amusement will begin Sunday afternoon and last into the night and will be continued on the evening of July 5. A picture court and barbecue pit with fan selections by personnel, messengers or [illegible] photography and other novel amusing features will be in evidence while excellent Mexican cookery will be exemplified in the refreshments served.

The proceeds will be held for the purpose of adding to the church building fund for which Father is sought.

James L. Slayden of San Antonio, candidate for the democratic nomination for congressman for the 14th district, addressed an audience at Artesian park last night in behalf of the candidacy of M. Blanton, a native from the cow ranch days up when a boy in Oregon. Wilson was escorted by a San Antonio party, stopped this city and unopposed the administration "Cactus Jack" in some remarks.

There will be a dinner dance Saturday evening, July 3, at the Nueces hotel at 8 o'clock. The noble evening will be occupied after Saturday noon.

NOTICE

Dime Bluff hotel is now open for business. Telephone 9017 Fr. E. A. Kline, Proprietor.

Speculators Pay Better for Cattle

Special to The Caller.

FORT WORTH, June 29.—Speculators purchased a rather generous helping of cattle Tuesday and granted steady to higher rates for everything that they secured, but packers were indifferent and their purchases were steady to 25c lower on steers and fully 25c lower on cows and heifers. Calves again found a slow, dragging market. A speculator paid $13.50 and $12.50 for steers and speculators secured several cars of cows ordered in for their trade at 9.65 and at 9. Receipts amounted to 3,500 cattle and 500 calves.

Cattle—Beeves $8@9.50; stockers $7@8; cows $4@8.35, heifers $5@12, bulls $5@7, calves $5@10.50.

Hogs—Heavy $15.75@16; light $16@16.50, medium $15@15.75, mixed $14.50@15, common $13.50@14.

Pigs $11@13.50.

Sheep—Lambs $11@12.25; yearlings $9@10, wethers $7@8, ewes $6@7, culls $4@5, goats $4@5.

Cattle sales—J. E. Wright, Alfred, 17 steers 942@945.

Lutcn Williams and West Bills 152 steers 1064@1035.

Ten steers 1074@800.

Four steers 1075@1100.

C. C. Thomas, Collins, 13 steers 1185 @900.

Fifty-nine steers 914@950.

Twenty-one steers 1042@1025.

Eads and Oldham, Torrecillas, 25 steers 785@825.

Twenty-three steers 958@925.

Oscar Dyer, Goliad, 47 steers 1071@1075.

H. H. Harrison, Alfred, 30 steers 999@920.

RAILWAY CRAFTS REFUSE WALKOUT

(Continued from page 1)

ion of Labor locals throughout the country were present.

E. M. Keifer, district chairman, denied the organization had any radical intent or that a strike was being considered. "We simply believe that all railroad workers should belong to one union, instead of half a dozen brotherhoods," Keifer said. "We have 2,000 members in Chicago now. We believe the American Federation of Labor has lost its power."

HOME, June 29.—A general strike was proclaimed last night effective today, excepting only the railways. The tram services suspended and many factories and work shops were closed. This movement was largely due to the celebration of the feast of St. Peter's.

A dispatch from Treme to the prefecture of Perugia, says a clash with the workers there are said to result in several persons being severely wounded.

The decision to call a general strike was reconsidered this afternoon. The executives of the socialist party and general federation of labor met to discuss the question. The federation unanimously opposed the socialist demand for a general strike and split the ball. A few democrats adopted a resolution calling upon the proletariat to maintain discipline and hold itself ready to strike should the government fail to keep its promises.

By the Associated Press.

BRUNSWICK, N. J., June 29.—Passenger traffic on the Baltimore and Ohio was reported tied up today because of an increase in the number of striking railway employes. Union leaders claim between 1,500 and 2,000 men have quit.

LOWDEN WILL NOT RUN FOR GOVERNOR

(Continued from page 1)

United States which would restrict the president to one term.

"The same objection applies to the governors of the states.

"Unfortunately the idea seems to be in the air that a chief executive should be given a second term as an endorsement of his first. The result is that human nature asserts itself. Each act of the executive is scanned with the over-present thought what effect will this have upon my chances for renomination and re-election." The inevitable outcome is a lowering of the standard of efficiency and the weakening of the moral strength of the official.

"I am certain that whatever I have been able to achieve for the people of Illinois during my administration has been due, largely, to the determination I formed when I entered upon the office, not to seek consecutive a second term.

"Therefore, I am not a candidate for re-nomination."

BOMB EXPLOSION CALLS MIAMI LEGION TO DUTY

MIAMI, Fla., June 29.—The explosion of a dynamite bomb said to have been thrown from an automobile occupied by white men in the negro section of the city last night caused the entire police force to be summoned to the scene to disperse a gathering of 2,000 negroes. A report that the negroes were arming and preparing for a raid caused Mayor Smith to call on the American Legion at midnight. Four hundred white men, armed with rifles patrolled the streets in the negro section during the night and all streets in that section were ordered closed to traffic. The police and the situation was well in hand at 7:30 o'clock this morning.

Leopard Cannot Change Spots

Mr. Dodson, the 'Liver Tone' Man, Tells the Treachery of Calomel.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into sour bile like dynamite, cramping and sickening you. Calomel attacks the bone and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for a few cents a large bottle of Dodson's Liver Tone, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It can not be trusted any more than a leopard or a wild-cat. Take Dodson's Liver Tone which straightens you right up and makes you feel fine. Give it to the children because it is perfectly harmless and doesn't gripe.

Market News

NEW ORLEANS COTTON.

By The Associated Press.

NEW ORLEANS, June 29.—While the trading in cotton opened at the advance today, the gains did not last long and during the greater part of the session the market stood at fairly wide declines, which, at the lowest levels, amounted to 45 to 56 points, July sinking to 36.60 and October to 32.66. Toward the close there were rather decided recoveries and last prices were at net losses for the session of but 19 to 35 points.

Lowest levels were reached on predictions that the weekly crop accounts from the government tomorrow would be bearish, but late in the session the market recovered on complaints of excessive boll weevil damage in Texas, some localities in the state claiming that the weevils were getting all squares that were put on by the plant.

H. & B. BEER LETTER.

Special to The Caller.

NEW ORLEANS, June 29.—After rolling lower this morning as a result of the continuance of good weather in the interior, fear of railroad strikes spreading and prospects for favorable weekly crop government review tomorrow, the market bounced up, owing to reports from Texas telling of weevils increasing and commencing to do damage in central and northern Texas.

As the fruiting stage of the plant approaches weevils are likely to make themselves felt the more since they feed on squares, the destruction of which robs the plant of its fruit. Last week the government reported weevils appearing in central and north Texas. Today private advices from those sections of the state tell of weevils becoming more numerous and commencing to do damage.

The continuance of hot, dry weather is necessary to hold the weevils in check. If showery weather prevails complaints of weevils multiplying and becoming destructive are likely to become more general and positive.

Matamoros Will Have Bull Fights

Bull fighting, Mexican national sport, will be revived in Matamoros, across the international boundary from Brownsville, Monday, July 5, according to announcement made here. Four savage bulls will be killed by the Matamoros fans. Rafaelito, "Machito" and Pedro Moreno, popular idols in the bull ring, who have come to the northern border for a limited stay.

As this is the first bull fight of the year, it is expected that a number of Mexicans and probably not a few Americans will go from here and other points to witness the event.

The bulls are advertised as being of the ferocious fighting stock of the Hacienda San Nicolas Peralta.
