A reporter called on Wednesday evening, May 8, 1895, at the residence of Mr. William McManus, No. 1935 Pearl street, Brooklyn Village (Cleveland), O., to learn, if possible, the cause of the noticeable improvement in his physical condition over that of a year ago, when he was a sufferer from indigestion and various organic disorders. "You see," begin Mr. McMahon, "to start with, my work—that of setting type at the case—allows me little chance for bodily exercise, and is altogether too confining for anybody who is in the least subject to indigestion or dyspepsia. Perhaps not more so than many another mechanic of artisan who is constantly in doors and under severe mental strain, while the physical development is sadly in need of something to keep it in trim. Well, that has been my complaint for years, and some months ago I became very bilious and consequently made life miserable for me at times. Then I took a seat in my LIVER, which became noticeably inactive, and I became alarmed about it. The first thought turned my attention to what is called a 'liver regulator,' which, however, failed to regulate; next I sought relief in liver pills, which so pained and griped me that the cure was, I thought, worse than the disease. The next thing I did was to throw away the whole 'shooting match' and resolve to take no more proprietary medicines. However, on leaving my place of work, one day at the office, a fellow-workman offered me a small Tablet—Ripans. He called it—what? I forget, he said, he would guarantee to act on the liver. I took it under protest, expecting to be doubled up in about fifteen minutes with the 'gripes,' but I was agreeably surprised at its action. It was very gentle, and I resolved to try a box. Since then I have practically tested an entire change in the working of my system, and think that Ripans Tabules are the best remedy for liver and stomach troubles now sold of anywhere. They are really a substitute for physical exercise. Have one before you go?" And Mr. McMahon produced his box of "Ripans" from his inside pocket as the reporter took his leave.

Ripans Tabules are sold by druggists or by mail if the price (60 cents a box) is sent to the Ripans Chemical Company, No. 10 Spruce street, New York. Sample vial 10 cents. For sale by A. E. Kiesling, druggist, 302 Main street.

Boys Want Homes.

There are three boys at Addington, I. T., who have no mother and whose father has had successive failure of crops so that he is unable to properly clothe and educate them. He is unwilling to raise them in ignorance and without the influence of a woman in their life. The boys are truthful, respectful and honest, and willing to work faithfully for one who will give them a home and send them to school. The youngest, a bright little blond, is 10 years old; is there a home and work in Houston for him or the other two? Their father, who is an intelligent, deserving man, may be addressed addressing Mr. H. Morrison, Addington, I. T.

Meeting of B'nai Brith.

Tonight at Menchaca Hall the regular meeting of Houston lodge, No. 434, Independent Order of B'nai Brith, takes place. In addition to the ordinary routine of business there will be nomination of officers to serve for the ensuing term, which always arouses interest among the members. At this meeting also, the question of monthly entertainments will come up for action. A large attendance is expected at the meeting.

Building Permits.

The following building permits were issued yesterday from the office of the city engineer:

Mrs. E. S. N. Metzger, new roof on house at Artesian place, $60.

Joe M. Sam, shed on Prose street, $28.

E. Krohl, to raise building on Hardy street, $15.

AN IMPORTANT DIFFERENCE.

The Most Common Female Complaint.

There is no female trouble so nearly universal as leucorrhœa or "whites." Most women have suffered from it. The symptoms are pale emaciated face, dull heavy feeling in eyes and top of head, frequent dizzy spells, inflammation, impoverished blood, palpitation, swollen feet and ankles. There is also a very offensive discharge usually accompanied by much itching and a burning sensation. Frequently hysteria appears. Women often become barren as a result of this trouble. Leucorrhœa, although itself painful and disagreeable, is rather a symptom of derangements in the menstrual organs than a distinctive disease. The right treatment reaches the deranged organs.

McELREE'S Wine of Cardui

is the right treatment. Thousands of women who thought whites had become chronic with them, have been entirely relieved by Wine of Cardui. It cures every sort of female trouble. It is scientifically adapted to the female organism. It puts the menstrual organs in perfect condition. When that is done whites or any other menstrual disorder disappears. This treatment is so much preferable to the private examinations and subsequent local treatment of physicians that it is becoming a favorite with women everywhere. It can be taken privately, at home. At the first appearance of whites Wine of Cardui should be procured. Druggists supply it at $1.00 per bottle.

LADIES' ADVISORY DEPARTMENT.

For advice in cases requiring special directions, address, giving symptoms, LADIES' ADVISORY DEPARTMENT, THE CHATTANOOGA MEDICINE CO., Chattanooga, Tenn.

Mr. W. G. Medley, the popular Wells Fargo & Co. Express Messenger, residing at 2327 Scott Avenue, St. Louis, says:

"My wife has been a sufferer from Leucorrhœa or 'Whites for many months. She also had severe headaches and pains in the back, accompanied with dizziness or fainting spells until she would fall on the floor and have to go to bed. We tried several remedies and prescriptions, but none brought relief until I got a bottle of Wine of Cardui, which she took according to directions. My wife soon improved, and we continued to use it until she now feels 100 per cent. better."
