GET FROM BRENHAM

Smallpox in or Near the City or Likely to Be.

BUILDING OF THE NEW RAILROAD

Suits the Action of the Legislature, Suits Filed and Action Taken in Probate Cases.

Brenham, Texas, January 31.—A headline in The Houston Post this morning attracted attention here: "Two Cases of Smallpox at Brenham." One who read the article could have seen in an instant that it was not a true statement, as the article read of smallpox at Bryan, but as people read headlines and never pursue an investigation further, this is written to correct the impression, if it should be noted. There is no sickness whatever in Brenham, the mistake in The Post being only an error of the printer. Brenham, healthy, is delightfully located; is one of the best towns in the State and does a business, having marketed nearly 50,000 bales of wagon cotton during this season. It has everything here that one wants and has no ailments.

COURT NOTES.

Suit was filed in the district court today by William E. Dwyer for damages in the sum of $500 and to collect two promissory notes of $500, given January 19, 1897, one January, 1898, and one due January, 1899, the defendant in the action being J. H. Eldridge.

Mr. Frank W. Wood today filed suit against the Continental Insurance company to collect $1000 on a policy of insurance written on plaintiff's lumber yard, which was destroyed by fire October 13, 1898. He was forced to sue another company recently, but was paid in full on a similar policy, the company agreeing to do as it had contracted.

In the matter of the estate of James Dailey, deceased, the report of the sale of the estate has been approved and the administrator instructed to make deed. The claim of Mrs. J. C. Dailey of $500 has been approved and assigned to the fourth class, and the claim of Major Green has been approved. It amounts to $230.

In the matter of the estate of Daniel Green, deceased, the application of Mollie Green, of Houston to be appointed administratrix has been granted by Hon. E. P. Curry, county judge.

In the matter of the estate of Mrs. H. J. Chappell, deceased, the inventory and appraisement has been examined and approved. It is filed by W. R. Sallis and J. E. Simon, appraisers, and shows that the estate is possessed of an undivided half interest in 200 acres of land in the D. Lawrence league in Washington county, valued at $20 per acre.

In the matter of the estate of David Wilson, deceased, the inventory and appraisement filed by J. E. Harmon and W. J. Yates, appraisers, has been examined and approved. It shows the estate to be possessed of real estate to the value of $65, machinery and tools to the value of $[illegible] and stock, feed and a buggy to the value of $225, the whole amounting to $[illegible].

A warrant was issued today out of the county court for the arrest of Robert Ridley on a lunacy charge.

AWAITING LEGISLATIVE ACTION.

The question has been asked here why Brenham business men had become suddenly so quiet about the railway which was to have been built here this into the Brazos valley.

Now the sudden silence on the part of this writer and others might appear strange to those who do not know all that is transpiring in this railway matter. People who build railroads do not always tell everything to the world until a certain time comes, and it is believed that plans have so far progressed that it will not be wise to let the general public into a little of the information. It will be remembered that Hon. Heber Stone was instructed at a mass meeting of citizens to appoint a committee of business men to go properly into the matter of this railroad into the Brazos valley, and that said committee be instructed to solicit from public spirited citizens certain funds with which to create a corporation, etc., the subscribers to this fund to be given in exchange shares of stock, etc. That committee appears to have dropped into a condition of innocuous quietude. The truth is that matters are in a standstill awaiting the journey of a bill through the legislature. This bill is one which provides for the rejuvenation of charters of railroads which have not expired more than two years. It will be remembered that Brenham started in to build the Brenham and Brazos Valley road several years ago, and that after procuring a charter, etc., the work was dropped for awhile—a matter of two years—so that the charter privileges lapsed. If the bill now in the legislature passes the house, as it has already gone through the senate, it will give the projectors of the old line the right to rejuvenate under the old charter, and there will be a railway agitation. When the bill passes Senator Stone will appoint a committee and the work will be commenced with new life and new blood under the old charter and the old survey.

MRS. NAUWERCK DEAD.

Died, at 4:30 o'clock this morning, Emma, wife of Prof. E. Nauwerck, aged 33 years, 9 months and 22 days.

The announcement that Mrs. Nauwerck was dead was learned with surprise all over Brenham. She has been in the best of health at all times and there was no thought that such a happening would occur. She has been a regular attendant upon the Lutheran services being held at the Lutheran church, and a few days ago she joined with that church during one of the services being held by Rev. B. B. Sanders. Monday night she attended the services and sang in the choir as usual, appearing in the good health. She went to her home and retired for the night. About 4:30 the youngest of three children, a babe of 7 months old, began to cry, and the mother was endeavoring to quiet the little one. He heard his wife turn over in bed after a long sigh, but he gave it no attention at the time, as he supposed she was sleeping. When he had quieted the child he turned to her, and a peculiarity in the position in which she was lying attracted his attention and he called to her. She did not reply, and turning her in bed he looked in her face and saw that life was gone. She had died quietly as she lived, without uttering a word.

Mrs. Nauwerck was formerly Miss Emma Kauchbaum. She was married January 1899, the ninth anniversary of the marriage being the day previous to her death. She was a good Christian woman, loving mother and an affectionate wife. Her husband is teacher in the city schools. The funeral will take place at 2 o'clock this afternoon from the Christian church, Rev. B. B. Sanders officiating.

MARRIAGE LICENSES.

Marriage licenses were issued during the morning Tuesday, January 31, to the following by County Clerk O. A. Seward: Barber and Mattie Edwards; Theodore Low, Jr., and Miss Berskie C. Cook; James Burton and Emma Frank-

BLOOD POISON
