BIDS AND PROPOSALS.

BIDS AND PROPOSALS—Bids are invited for the repair of what is known as the Vick iron bridge over Buffalo bayou, to be made in accordance with plans and specifications now on file with the county surveyor. Bids are also wanted for the definite clearing, grading and repair of the following public roads in Harris county, to-wit:

That part of the Missouri, Kansas and Texas public road between Hilliendahl and Lettie.

The Main street and poor farm link road.

The Jackson Hill public road.

The Houston and Alvin public road.

The Allen and Genoa road.

The Houston, Chocolate and Clear Creek public road.

Lynchburg and Cedar Bayou road.

Said roads to be repaired, graded, completed, ditched and drained in accordance with plans and specifications applicable to each now on file in the office of the county surveyor. Bids should be addressed to the commissioners court of Harris county, Texas, in sealed envelopes, upon each of which will be written the name of the bidder and the work bid upon, and each bid must be accompanied by cash or a certified check in the amount of $25, which will be forfeited by the successful bidder failing to enter into the contract. Bids will be opened on Friday, September 13, at 12 o'clock noon, and successful bidders will be required to furnish performance bonds in a sum equal to one-fourth of his bid. The right is reserved to reject any and all bids.

SPECIAL NOTICES.

NOTICE OF MASTER COMMISSIONER'S SALE.—Notice is hereby given that in pursuance of a decree rendered and entered on the 20th day of July, 1901, in and by the district court of Harris county, Texas, in the Fifty-fifth judicial district thereof, in cause No. 30,881, entitled "International Trust Company versus Houston Electric Street Railway Company," the undersigned master commissioner, appointed by said decree, will sell without valuation, appraisement or redemption, at public sale, in one lot or parcel as an entirety, to the highest bidder or bidders, on the first Tuesday in (being the first day of) October, 1901, between the hours of 10 o'clock a. m. and 4 o'clock p. m., or on the date to which said sale may be adjourned, at the court house door of the county of Harris, in the city of Houston, Texas, the premises, property and franchises of the Houston Electric Street Railway company, situated in the city of Houston, and in the county of Harris, in the State of Texas, and described as follows, viz:

A system of street railways owned by the Houston Electric Street Railway company, in and along the following streets and avenues in the city of Houston, Harris county, Texas, and extending, in some places, beyond the limits of said city, the tracks of which are more particularly described as follows, to-wit:

Double tracks on Main street, extending from Franklin to Capitol avenue.

Double tracks on Travis street, extending from Franklin to Capitol avenue.

Double tracks on Milam street, extending from Prairie to Rusk avenue.

Double tracks on Franklin avenue, extending from a connection with the double track on Travis street, and connecting with the double track on Main street, and thence to a point between La Branch and Crawford streets.

Double tracks on Congress avenue, extending from Milam street to a connection with tracks on Travis street.

Double tracks on Prairie avenue, extending from a connection with tracks on Main street to Fannin street.

Double tracks on Texas avenue, extending from connections with double track on Travis street, and connecting with the double track on Main street, and thence on to a point between Caroline and Austin streets.

Double tracks on San Jacinto street, extending from a connection with the double track on Franklin avenue to San Jacinto bridge; thence across bridge to Willow street, and thence on Willow street to a point between Baker and Allen streets; also a double track on Willow street, extending from a point between Steam Mill and Wood streets to Liberty street, and thence on Liberty street to a point between Shea and Walnut streets.

Double tracks on Fifth street, extending from points near the Franklin avenue bridge and the Louisiana street bridge to Washington street, and thence on Washington street to city limits, and thence on to a connection with tracks formerly owned by the Houston Heights Street Railway company.

A single track on Franklin avenue, extending from a connection with the double track on Fifth street to and across the Franklin avenue bridge, and thence to a connection with the double track on Franklin avenue at Travis street.

Also a single track on Franklin avenue, extending from a connection with the double track on Franklin avenue to a point between La Branch and Crawford streets to Chartres; thence on Chartres street to German street; thence on German street to Palmer street; thence on Palmer street to Engelke street; thence on Engelke street to Sampson street.

A single track on Magnolia avenue, extending from a connection with the single track on Chartres street to Jackson street; thence on Jackson street to a connection with the single track on Franklin avenue.

A single track on Preston avenue, extending from a connection with the double track on Main street to St. Charles street; thence on St. Charles street to Congress avenue; thence on Congress avenue to a connection with the double track on Congress avenue at Travis street, and with a connection to the double track on Main street at Main street.

Also a single track on Congress avenue, extending from a connection with the double track on Congress avenue at Milam street to Louisiana street; thence on Louisiana street to the Louisiana street bridge; thence across the Louisiana street bridge to a connection with the double track on Fifth street.

A single track on Prairie avenue, extending from a connection with the double track on Prairie avenue to Fannin street to Hamilton street; thence on Hamilton street to Lamar avenue; thence on Lamar avenue to Hutchins street; thence on Hutchins street to Pease avenue; thence on Pease avenue to Jackson street; thence on Jackson street to Texas avenue; thence on Texas avenue to a connection with the double track on Texas avenue at a point between Austin and Caroline streets.

Also a single track on Prairie avenue, extending from a connection with the double track on Milam street to a connection with the double track on Prairie avenue at Main street.

A single track on La Branch street, extending from a connection with the single track on Texas avenue, to Pease avenue; thence on Pease avenue to Jackson street; thence on Jackson street to Pierce avenue; thence on Pierce avenue to Caroline street; thence on Caroline street to a connection with the double track on Texas avenue.

A single track on Capitol avenue, extending from a connection with the double track on Main street at Capitol avenue, to Fannin street; thence on Fannin street to a point crossing the city limits near to or at Holman avenue; thence on Fannin street beyond the city limits to Berry avenue; thence on Berry avenue to city limits near Main street; thence on Berry avenue within the city limits to Louisiana street; thence on Louisiana street to Capitol avenue; thence on Capitol avenue to a connection with the double track on Main street and with a connection with the double track on Travis street at Travis street and Capitol avenue.

Also a single track on McGowen avenue, extending from a connection with the single track on Fannin street to a connection with the single track on Louisiana street.

Also a single track on Travis street, extending from a connection with the single track on McGowen avenue, to a connection with the double track on Travis street at Capitol avenue.

Also a single track on Fannin street, extending from a connection with the double track on Prairie avenue, to a connection with the single track on Congress avenue.

A single track on Gray avenue, extending from a connection with the single track on Louisiana street to Bagby street; thence on Bagby street to Tuam avenue; thence on Tuam avenue to Genesee street; thence on Genesee street to Fairview avenue; thence on Fairview avenue to Milby street and to loop.

A single track on Milam street, extending from a connection with the double track on Congress avenue to a connection with the double track on Milam street at Prairie avenue. Also a single track on Milam street, extending from a connection with the double track on Milam street at Rusk avenue to Dallas avenue; thence on Dallas avenue to San Felipe road; thence on San Felipe road to Wilson street; thence on Wilson street to Andrews street; thence on Andrews street to Heiner street; thence on Heiner street to Robin street; thence on Robin street to Smith street; thence on Smith street to Rusk avenue, and thence on Rusk avenue to a connection with the double track on Milam street.

A single track on Willow street, extending from a connection with the double track on Willow street, at a point between Baker and Allen streets, to a connection with the double track on Willow street at a point between Steam Mill and Wood streets.

Also a single track on Liberty street, extending from a connection with the double track on Liberty street at a point between Shea and Walnut streets to McKee street; thence on McKee street to Conti street; thence on Conti street to Odin avenue; thence on Odin avenue to Bremond street; thence on Bremond street to Conti street; thence on Conti street to Hill street; thence on Hill street to Nance street; thence on Nance street to a connection with the single track on Liberty street.

A single track on Wood street, extending from a connection with the double track on Willow street to Montgomery avenue; thence on Montgomery avenue to Waverly street; thence on Waverly street to Freeman street; thence on Freeman street to Hogan street.

A single track on Houston avenue, extending from a connection with the double track on Washington street to Dart street; thence on Dart street to Hickory street; thence on Hickory street to Shearn street, and thence on Shearn street to Houston avenue.

A single track on Washington road, extending from a connection with the double track on Washington street at the Houston Heights boulevard to Brunner avenue and to and including the loop at said streets.

A single track on Austin street, extending from a connection with the single track on Congress avenue to connections with the tracks of car shed on Austin street, between Commerce avenue and Buffalo bayou, and with a connection to the double track on Franklin avenue.

A single track on La Branch street, extending from a connection with the single track on Preston avenue to connection with the tracks of car shed on La Branch street, between Commerce avenue and Buffalo bayou, and with a connection to the double track on Franklin avenue.

Also all connecting tracks, sidetracks, turnouts and turntables used in connection with said railways; all poles, wires and other appliances used or held for use in the operation, maintenance and improvement of said railways; all cars and rolling stock of every kind whatsoever, owned by said Houston Electric Street Railway company, with the motors and electrical apparatus and other appurtenances; all engines, boilers, generators, dynamos, electrical motors, purifiers, pumps, tanks, condensers, shafts, pulleys, belts, lathes, winding machines, vice, drill and boring machines, chain blocks, wheel presses, forges, forge blowers, anvils, bar iron, pig iron, rails, poles, ties, lumber, track jacks, shovels, gauges, drills, saws, mauls, claw bars, lining bars, tamping bars, mattocks, hammers, picks, chisels, wrenches, track tools and tools of every kind, wagons, carts, mules, horses, harness, electrical appliances and all machinery, tools and supplies and other property of every kind and character whatsoever, used or held for use in the operation, management or repair of said street railways, or owned by said Houston Electric Street Railway company; all choses in action, notes, accounts, bonds, stocks, contracts, claims and demands of said Houston Electric Street Railway company; also all desks, tables, book cases, typewriters, letter presses, iron safes, chairs, clocks, fans, railings and other office furniture, now owned by said Houston Electric Street Railway company.

Also the lot or parcel of land, with all improvements, fixtures, tracks, machinery and tools thereon, situated in said city of Houston, commonly called the "Powerhouse Lot," and particularly described as follows, to-wit: Block No. 7, on the south side of Buffalo bayou, in said city of Houston, bounded on the south by Commerce avenue, on the east by La Branch street, on the west by Austin street, and on the north by Buffalo bayou; four hundred square feet of lot No. 6, block No. 7, in said city of Houston, conveyed by J. C. Hutcheson to the Houston Electric Street Railway company, by deed dated November 20th, 1889, and recorded in the Records of Deeds of said Harris county, volume 117, page 232, to which reference is made for further description. Also lot No. 9, block No. 10, in C. Lord's addition to the said city of Houston. Also all other real estate, buildings, and other property of wh
