COHN'S EXPLANATION.

"Why is it that you are so busy when others are complaining?"

This question is put to us so often of late that we feel it to be our duty to gratify the curiosity of our friends to this extent.

SIMPLY BECAUSE

We keep the best made, most perfect fitting clothing in the city, and sell them at a remarkably low figure.

To examine our enormous stock of ready-made suits and overcoats, of the latest cuts and fabrics, is enough to convince every fair minded man that we are the people to buy from.

We also carry the most complete line of Hats, Shirts, Neckwear, Umbrellas, Gloves, Underwear, Handkerchiefs, Collars and Cuffs, Smoking Jackets, Dressing Robes, Coachmen's Overcoats, etc., that can be found.

THE AGONY IS OVER.

Victorious and disappointed alike can now settle down to business. Drop New York, Indiana, Connecticut and all the rest from your thoughts for a short time, and listen to a few words of good, square, economical clothing talk.

Do you know that we sell more clothing by half than any other clothing house in Roanoke?

Do you know that our business has increased one-fourth every year since we came among you?

Such are the facts, and facts mean something.

Won't it pay you to investigate us and take a general look through our stock? We will take pleasure in showing you, even if you don't buy a cent's worth, and perhaps may be of benefit to you in the future.

We Want to Know You and Want You to Know Us.
