CHARLEY'S REFORM IS A GREAT EDISON HISTORICAL PLAY

The program for the Butler theater tonight is an exceptionally good one. The big feature of the evening will be "Charley's Reform" by Edison. This is one of the best subjects produced by the Edison company and according to the critics is one of the best moral pictures ever shown and has drawn crowded houses in all the large cities where shown. The management predicts a large attendance. Three other good subjects will be shown, entitled: "The Punishment." Biograph drama. Vengeance averted through fate's intervention. "Sy and Bill," a dramatic story of the sweet friendship existing betw f two old cronies and their children. Selig, showing one of the best battle scenes ever produced. "Hello, Central." This story is a good one showing how a young man found his heart's desire by getting the wrong telephone number and after meeting the "Hello, Central" girl it was up to him to buy the ring.

Miss De Verne will appear next Monday in songs and dances. She is one of the best and is sure to please.

YOUNG MAN BY HIS CARELESSNESS INVENTS FAMILY

A young man with a propensity for a careless use of the truth, gets himself in a peck of trouble by inventing for himself a family. His ingenuity saves him for some time, but fails when he claims the brand new wife of his gardener.

Daniel Gillespie, a young man from Boston, Mass., in order to obtain a legacy left him by his aunt tries the novel scheme of inventing a family. His plan works for two years and only goes to pieces when the administrator of the estate calls to see the interesting family. It is not known what action will be taken in the matter as the action of the young man in drawing the legacy before the conditions of the will have been fulfilled is an offense. Interest runs high and this will evidently be a test case.

The verdict will be announced at the Nevada theater Tuesday, June 4th, when the Seniors of the High School present "A Family Affair."

MOOSE WILL MEET TONIGHT

The Tonopah lodge of Moose will hold their regular meeting tonight at the K. P. hall at 8 o'clock to discuss matters of importance. Owing to the fact that the organizer is busy making out his report to the supreme lodge there will be no initiation of candidates but a large class will be instructed in the mysteries of the order a week from tonight. Dictator Shilling wishes all the members of the order to be present tonight as the membership roll must be signed by all.

NOTICE.

The general Fourth of July committee will meet at the office of Harry Epstine tomorrow (Sunday) evening at 8 o'clock and will appoint the different committees who will have charge of the celebration that will be given in Tonopah. It is up to all the business to attend as well as all citizens who are interested in the welfare of our city. Make it a point to be there.

GENERAL FOURTH OF JULY COMMITTEE.

CHINA NOW HAS NEW MONEY AND PULLMAN CARS

WASHINGTON, June 1.—Republican money and Pullman sleeping cars are two innovations in old fashioned China. The new Chinese Republic dollars, the minting of which has just begun, bear two lions and the Chinese character "One Dollar." On one side, and on the reverse, the characters "Current Money" and "Chinese Republic," with a wreath of flowers. Yuan Shi Kai has inspected the new cons and has given his approval of them.

The first of two sleeping cars available for service between Shanghai and Nankin was put into use April 11. It is 68 feet long and the bunks are each seven feet long.

The revolution appears to have greatly stimuateld the drama in China. Recenty a big theater has been built in Shanghai, and a number of modern Chinese dramas are to be staged. For these productions, eighty actors have beeen engaged.

Sam Platt, assistant United States district attorney, passed through Tonopah this morning en route to his home in Carson City.

C. H. Hollis and Judge T. F. Foley were visitors from Goldfield today. They will return this evening by private auto.

BACCALAUREATE SERMON AT THE NEVADA THEATER

On Sunday evening at 8 o'clock a union service will be held in the Nevada theater by kind permission of Jacob Goodfriend. For the first time in the history of the camp a baccalaureate sermon will be preached to the graduates of the High School. All the seats in the theater will be free and unreserved. The doors will be opened at 7:30.

Those ladies and gentlemen intending to sing in the choir are requested to be in their places at 7:45 o'clock.

THINK OF IT

Stop and think a moment about that cough that bothers you so much.

You must have been run-down when you got it, for if you had been perfectly strong your system would have thrown it off in two or three days.

Take our advice about this—what you really need is to build up your strength and enrich your blood: then the cough will disappear. We know it.

Carl Schultz of Coney Island, N. Y., says: "It ony took two bottles of your delicious cod liver and iron preparation, Vinol, to put me on my feet again when I was all run down with a severe cough and cold which had lasted two months. I am recommending it to all my friends."

Vinol is the greatest strength creator and body builder we have ever seen, and besides its value in healing up weak sore lungs, it gives new strength and vitality to all weak, pale, run-down peope. We guarantee Vinol to do this and give back your money if you are not satisfied. Miners' Drug Store, Inc., Tonopah, Nevada

HAVE YOU PAID YOUR TAXES?

If not, you should do so NOW. Delay may mean delinquency and additional costs. MONDAY, JUNE 3, 1912, will be the last day for the payment of the Second Installment of 1911 taxes. After that date the penalties imposed by law will accrue.

So, get busy—for your own sake.

Property upon which the taxes become delinquent will be sold on Monday, July 15, 1912.

The Treasurer's office will be open every evening this week as long as there are present tax payers who desire to be separated from their money.
