COMES BACK TO DIE IN GOLDFIELD

Ed Carmody, better known in Goldfield as "Happy Jack", where he was an attache of the Hermitage saloon in the early days of that camp, drove into Goldfield from Lone Pine Saturday night and after registering at the Goldfield hotel, renewed acquaintances. Sunday morning, when his company on the trip called at Carmody's room, he found him peacefully sleeping the sleep that knows no awakening.

It is supposed that heart failure was the cause of death. The coroner of Esmeralda county held an inquest this afternoon.

Carmody hailed from New Orleans and endeavors are being made to get into communication with his relatives there.

TEACHERS SEEK EXTRA SALARY

Grade teachers of the Reno public schools have started a movement to obtain an additional month's salary for the present school year. The matter was broached at the meeting of the school board last Wednesday. Judge P. A. McCarran, Charles Burke Mrs. Frank Humphrey, Dr. M. R. Walker and Roy Stoddard taking up the cause of the teachers, they setting forth that the present salary scarcely more than met living demands.

In support of this contention figures were submitted showing the average wage paid per day, figured on the basis of a 365-day year, indicating that 27 teachers are receiving $2.73, four $2.65, six $2.46 and two $2.32. One kindergarten teacher receives $2.46 and one $2.73. Superintendent of school $10.13, principal of high school $6.57, three principals of grade schools $3.86, two principals of grade schools $3.56, three special teachers $3.69, one special teacher $3.56, one $3.69, two high school teachers $3.56, eight high school teachers $3.28.

It was declared that owing to the low wage scale paid in some parts of the country teachers were looking for other vocations, causing a shortage in competent teachers.

TONOPAH'S PIONEER SURVEYOR REOPENS A LOCAL OFFICE

William J. Moran, the engineer and surveyor, who has been identified with Tonopah since the early days, has reopened his office at 419 State Bank building. Mr. Moran has had 15 years' experience in this camp and has acquired the confidence of the community in his work. During his long professional career in this camp Mr. Moran published every map of the Tonopah and outlying important districts and had charge of the preparation of all patent notices for the big companies.

SHOE CLERK BOUND OVER AS ROBBER

Paul Phillips, a Reno shoe clerk, who was arrested several weeks ago by Officers Ramsey and George Mahan, was bound over to the district court for trial. His bond was fixed at $1000 by Judge Sidney Foster.

Phillips was found in back of the St. Pierre Bootery at a late hour by George Mahan, and was arrested because of his actions. His room was searched and 45 pairs of shoes were found, valued at about $400. Phillips is supposed to have shipped several pairs of shoes to Los Angeles.
