H. A. DARMS SUFFERS LOSS OF HIS MOTHER

H. A. Darms, president of the Darms Coal Mining company, who is now operating on the Dividé through three other companies, received a telegram yesterday announcing the death of his mother at the old home in Napa, Cal. The news came as a shock as Mr. Darms was not aware that his mother was ill. Death was probably due to rheumatic pains attacking the heart as the deceased had been subject to them. Mrs. Darms was 80 years of age, born in Switzerland and came to this country by sailing vessel in 1848. The family settled in Sauk county, Wisconsin, and removed to Napa, Cal., in 1882, where they settled on a ranch which has developed into one of the best in the state surrounded by other ranches owned by the married sons and daughters. The elder Darms died in 1905. Mr. H. A. Darms has the sympathy of his numerous Nevada friends.
