SOUTHERN MAIL WAS DELAYED FOR ONE DAY

Mail from Los Angeles and the south, which was due to arrive in Tonopah yesterday morning, did not reach its destination until the arrival of train No. 23 this morning from Goldfield. The delay was occasioned by washouts on the T. & T., which brought the train into Goldfield 12 hours late, or past the time of departure of the train for Tonopah yesterday morning.

We have some admiration for the nerve exhibited by Panama, but not for the judgment shown.

LEASERS PLAN OPERATING ON BELCHER DIVIDE

The Belcher mine in the Divide promises to take a place prominent standpoint during the [illegible] leasers have been prospecting around for a considerable distance [illegible] the shaft workings, and it is reported that they have encountered showings of ore that give promise of developing into something of more than passing interest [illegible] depth.

Scott Jonessen, superintendent in charge of operations, is making ready to start sinking on a [illegible] better than the average grade ore which is showing on the [illegible] level, and shipments will be started in order within the next [illegible] Through ore extraction on this level it is hoped to realize enough money to proceed with development on the 550-foot level, where a drift is being extended to the west with a view to picking up the Hurst ledge which is supposed to be about 150 feet distant.

The Reorganized Belcher was one of the Divide properties that continued development throughout the strike period, although work was performed under contract. The holdings are situated in the acknowledged rich mineral zone of that mining region, and the property was a producer of high-grade ore a number of years ago.

The property is equipped with modern and up-to-the-minute machinery, while the head-frame is of such size as to permit sinking of the main shaft to any desired depth.

MINA IS SCENE OF HIGHBINDER WAR OF CHINESE

The highbinder feud of the Chinese elements in the west was transferred to Mina on Saturday and in the evening an aged Chinaman was shot to death in the Mina Hotel. One, aged 12 years, son of Hop Sing of Carson and Hoe Jan, are in the county jail at Hawthorne while Hop is expected other arrests will follow as a result of a complaint made by Hughie Sing.

The two Chinamen, Gee Jon and Sing Lee, Reno, Saturday hiring a gray automobile driven by George Pappis. They reached Mina about 8 o'clock in the evening and stationed the taxi driver a short distance from Chinatown. They asked him to wait 15 minutes. As the time passed Pappis left the machine and went into town and had something to eat. Upon his return the two Chinamen were in the automobile and they left immediately for Reno. Pappis said he knew nothing of the murder.

Upon arriving at Mina, Gee Jon and Hughie Sing located the man they victim. Hughie, belonging to the same tong, called upon the man to open the door. He did so, holding a lighted candle in his hand. The other Chinaman, back of Hughie, then fired two shots into the victim, killing him almost instantly. The two then returned to the automobile and drove through to Reno.

They arrived in Reno and Hughie got to bed, where he was arrested. The other man tried to escape, but was caught by the police, who had been advised of the murder by the Mina authorities.

The older man, Gee Jon, refused to make any statement, but young Sing told all he knew implicating others of the Hop Sing Tong.
