PERJURY IN ARBUCKLE CASE

RAILROAD HEARING AGAIN CONTINUED AT REQUEST S. P.

[illegible] upon the petition of the Southern Pacific to parcitate [illegible] between Reno and Nin[illegible] not set for hearing on [illegible] this week by the Public [illegible] commission. Has been put off [illegible] Tuesday of last week [illegible] Sept. 20, at 10:30 o'clock in [illegible]

[illegible] notice of the postponement of the hearing was received by The [illegible] this morning from Secretary of the commission. It is as follows:

"In order to obtain the amount necessary [illegible] ordered that the hearing now [illegible] before media, be and it is [illegible] ordered. It is further ordered that said application be and [illegible] for hearing at Carson City [illegible] September 20, 1912, at 10:30 o'clock [illegible] forenoon of said day, when and [illegible] all interested parties may be heard."

[illegible] of the local [illegible] the hearing has gone over for four [illegible] of the executive body [illegible] "Citizens' Committee of Tonopah [illegible] not relish the idea [illegible] against the Southern Pacific. While [illegible] will greatly inconvenience the people of southern Nevada who have [illegible] at the hearing, the date will be rescheduled.

It would seem that the public service commission ought now to be [illegible] the Southern Pacific, if it [illegible] is possible. The hearing was set for September 13, at request of the Citizens' Committee of Tonopah [illegible] that a continuance of 20 days be granted. This request was seconded, but the hearing was postponed until September 20, and now without giving any good and sufficient reason, the public service commission takes it upon itself to [illegible] the matter over until Sept. [illegible]

TWO HUNDRED DEAD IN TEXAS FLOOD WATERS

(By Associated Press)

[illegible] Sept. 12.—News [illegible] the central Texas flood [illegible] of rains Friday [illegible] today brought the [illegible] to nearly 200. [illegible] crippled, but [illegible] Brazos, [illegible] streams are [illegible] than 100 [illegible] have been recovered in the San Gabriel [illegible] of Williamson and [illegible] counties. The [illegible] The list of dead at San Saba is 49, Thorndale 16, Taylor [illegible] Elgin 29 and San Gabriel 19. The majority of dead were Mexicans.

BUSINESS MEN ENTER PROTEST AT CONTINUANCE

The business men of Tonopah [illegible] to sit idly by and let the Southern Pacific officials or public service commission of Nevada [illegible] anything over on them." [illegible] another last word been received here that the public service commission had adjourned the hearing on the petition of the Southern Pacific for a portion of train service between Reno and Mina, than the executive members of the Citizens' Committee of Tonopah held a meeting and a message ordering a vigorous protest against having the hearing postponed from Friday of this week until Tuesday of next week.

Stress was laid on the great inconvenience that would be brought about to those who had planned upon being present at the hearing, and of the disorganizing of present plans, and the public service commission was requested to hold the meeting, as previously scheduled, on Friday morning of this week.

The message reads:

"Tonopah, Sept. 13, 1912.

"Public Service Commission,
"Carson City, Nevada.

"We, the Citizens' Committee of Southern Nevada, representing the people most vitally interested in the case of the Southern Pacific Railroad company in re train service, which was to be heard by your honorable body on the 16th inst., feel your commission, in changing the date of said hearing without notice to us after refusing us a continuance in this case has worked a great hardship on our citizens, as such short notice will cause many business interests here who have made arrangements to attend the hearing on the 16th great inconvenience in rearranging their affairs to attend the meeting on the 20th, and many business men will not be able to be present at the hearing, said order having the effect of almost totally disorganizing our plan of procedure; and we further feel your commission is overlooking the fact that we are the people most vitally interested in this matter.

"We most respectfully request that your commission hold hearing as per your date set on the 16th. Answer at once.

CLEAN-UP SQUAD TO ADJUST ALL CLAIMS

Veterans of the late war who have claims against the government, or their kin, or reservice men who suffered injuries or damage to their health as a result of the world conflict are requested to appear at Elks hall tomorrow night to meet with Dwight H. Robinson, in charge of the clean-up squad sent out from San Francisco to adjust claims.

Mr. Robinson, who is a fluent and practical speaker, will deliver an address to veterans only, and in a social way an representative gathering may be present. The clean-up squad is trying to get in touch with every person who is entitled to consideration, and claims presented will be gone over by Mr. Robinson, and where practicable settlement will be made on the spot. In some instances it may be necessary to refer claims to the San Francisco division, and usually refer others to Washington, but in a majority of cases prompt settlement will be made.
