SAMUEL NOVITSKY, PIONEER, IS DEAD

Samuel Novitsky, better known as "Uncle Sam," died this morning at 6:30 at the county hospital, following an attack of blood poisoning. Novitsky was a native of California and came to Nevada from Grass Valley 50 years ago, an dto Tonopah in 1901. He was a familiar figure to most of the residents of this town. He lived in a cabin back of the Tonopah hotel, and in his wanderings about town had accumulated a great amount of junk. He was admitted to the hospital on September 19.

Novitsky was proud to the extreme in that he would not ask for assistance. Over 30 years ago he was in the employ of M. Cohn, Main street merchant, who at that time was engaged in business at Carson City. He was a likeable old gentleman, but kept to himself the greater part of the time.

Novitsky was 76 years of age and was never married and so far as is known he has no living relatives. The funeral took place this afternoon from the undertaking parlors at 4 o'clock.

AMUSEMENTS

THOMAS MEIGHAN AT THE BUTLER TODAY

Is your life beset with obstacles? Do you have troubles, worries and setbacks? Do you envy the fellow who lives on Easy street? Then take heart, for you are among those who gain and enjoy real success.

Such is the lesson taught by the new Paramount picture, "The Easy Road," starring Thomas Meighan, which will be shown at the Butler today. A sailor-novelist, who has made fame for himself, weds a wealthy girl and settles down in her big country home on "Easy street" in the belief that he will be able to work without interruption and write the masterpiece of his career. But he loses his ambition and becomes an idler. Then comes the darkness, regeneration and the great lesson that in work are hidden real contentment, love and happiness. Hedda George has the leading feminine role; Lila Lee also plays a prominent part in the picture. A Pathe Review will be added to the program.

Tomorrow, Marion Hamilton and Lillian Rich in a redblooded drama, "Half a Chance," a picture filled with action and thrills.

Coming, William S. Hart in "O'Malley of the Mounted."

24½ Million Dollars Invested by Employes of Swift & Company

More than 21,000 employes of Swift & Company own or are paying for shares in the business. These men and women have attested their faith in the integrity and good will of the company by investing their savings in the business.

Their holdings represent a total of nearly 250,000 shares, the par value ($100 a share) of which is more than $24,500,000.

These 21,000 represent more than one-third of our average number of employes!

One man out of every three, in plant, office, and branch house, from the handworker on the floor to the brain worker at the desk; working *with* us as well as *for* us, devoting himself to his own business while devoting himself to ours; promoting his own interests in every motion or moment saved, in every product improved or maintained at perfection, in every service rendered through prompt, thorough, effective distribution of products.

This interested, eager group of fellow partners working with us for the good of Swift & Company and the public which we serve, constitutes one-half of the ownership of Swift & Company in point of numbers, and nearly one-sixth in point of shares outstanding.

It represents practical and successful progress toward the end at which enlightened modern industry is aiming for the solution of industrial problems—toward cooperation, mutuality, brotherhood in business, for the good of all.

Swift & Company, U. S. A.
