SNAPPY BALL CONTEST PROMISED FOR SUNDAY

The baseball game tomorrow afternoon at the local diamond between the Tonopah Eagles and the swatters from Yerington, is attracting an unusual amount of interest and fans are on tiptoe awaiting the call of the umpire to proceed. The Yerington boys are reported as being one of the fastest teams in the state, and their manager, J. J. Kelly, chief of police of that town, has written that his boys will come with plenty of financial backing. On the other hand Manager Shelton McClain of the Eagles, says Chief Kelly and his followers will be accommodated and that nothing would please the backers of the local players than to separate the Yerington bunch of their surplus cash.

Practice occurs again tonight, and when the game is called at 3 o'clock tomorrow afternoon it is hoped that there will be a record-breaking attendance of fans present and that the people will be liberal in the purchase of tickets that the expenses may be met promptly.

In a telegram received this morning by Manager McClain from the manager of the Yerington team, he furnished the lineup as follows: Yerington—Whitacre, catcher; Miller, first base; Dimock second base; Smith third base; Wilson, shortstop; Wade, Huff and Ferretti, fielders.

The lineup for the Eagles is as follows: Burlingame and Jones, catchers; Prout, Hicks and O'Neil, pitchers; Malley first base; Holmes, second base; Kane, third base; Hug, shortstop; Freed, left field; Monahan center field; Gilbert right field; McFadden, North and Brown, substitutes.

The Yerington team will be guests tonight of the Eagles at their dance to be given in Eagles hall.

CANDIDATES MUST GET FILINGS IN TODAY

This is the last day that candidates aspiring for office on either the republican or democratic ticket can file notice of candidacy for office, and with the close of business this afternoon the list will be compiled by the county clerk. This is also the last day when the elector can have his registration card cancelled or change politics. Between this date and September 8 the county clerk is prohibited from issuing first papers for citizenship.

There will be plenty of pep injected in the Eagles dance on Saturday night than ever seen before in Tonopah. Fine music, dandy floor and general good time. A4-2t

HON. JOHN H. MILLER LAUNCHES CAMPAIGN FOR CHIEF EXECUTIVE

Hon. John H. Miller, candidate for governor on the republican ticket, has had all the experience that comes to a boy born and raised in Nevada. He was born at Carson City in 1872. It is his early years, so that as soon as he was old enough to work he was put to work in the gold mines of Nevada. He has worked in almost every branch of mining, from running a drill and running the loom, large enough to support a family, and as a miner has worked every part from a miner to mine owner. In long and varied years he has been successful and was the owner of mine, smelter, mill. These qualifications should make him doubly fitted as a director of a state where major industries produce more.

He has every stake a deep interest in the welfare of the state and is fitted by a close study of the economic problems of Nevada before that he was even a mining engineer. He is a Masonic Knight Templar and a member of the Nevada Bar association.

He has never been a seeker for office, but has always been a public spirited citizen and has served his city and state in various capacities. In the business world he is known as a man of integrity and ability. His business ability would be more valuable at the capital than anywhere else. He is well known throughout the state and his friends are legion.

In other words he is most accomplished in every respect to make that the people want a full republican ticket and the senate and legislature that will support him in carrying out the plans of economy with the maximum efficiency.

INCREASED ACTIVITY NOTED WITH MINING

Marked progress is noted in copper mining in the 12th reserve district including Nevada, by the July report received in Tonopah. A striking comparison is made between the month of May 1921 and the same month of this year and in the domain of gold, silver and lead mining increased activity is seen. The report follows:

Of the 17 principal copper mines in this district, which in 1920 produced over half of the copper mined in the United States, 14 are now operating, compared with two a year ago. In May, 1922 the output of the nine of the 12 mines was 24,893,000 pounds compared with 22,764,000 pounds produced in April, 1922 and 5,952,000 pounds in May, 1921. Production of copper in the United States during May was reported to be 68 per cent of normal compared with 59 per cent in April, 46 per cent in March and 18 per cent in the six months period July-December 1921. The trend of copper prices continued upward during June and at present quotations 13½c to 14 cents per pound, mining of this metal is profitable for the mines with relatively low production costs. The average price per pound of electrolytic copper in New York was 13.82 cents in June compared with average prices of 13.36 cents in May, 12.82 cents in April, 12.94 cents in June 1921, and 14.11 cents during the five years, 1909-1918.

Increased activity was noted in gold, silver and lead mining in the district during June 1922 as compared with May, 1922. In Utah the activity was principally due to the rising prices for lead. From an average price of 4.76 cents per pound in February 1922 the price of lead in New York increased to 5.74 cents in June, 1922.

MORNING TRAIN LATE

The incoming train from the north was nearly two hours late in arriving in Tonopah this morning. The delay was occasioned as a result of engine trouble and also of lateness in reaching Mina.

SHRINERS' NOTICE

A meeting of the Shriners club of Tonopah will be held Saturday evening Aug. 5 at the Masonic hall for the purpose of meeting Noble C. H. Gorman, potentate of Kerak temple.

OTTO FALK,
Secretary.

DR. TAYLOR, optometrist of Reno will be in Tonopah at the Golden Eagle hotel, August 7th to 11th inclusive. An opportunity to have glasses properly fitted. A4-2t

MRS. J. P. HART IS INJURED AUTO WRECK

Mrs. J. P. Hart of Tonopah had a narrow escape from death Thursday night on the Moana Springs road just out from Reno when a large touring car in which she was riding overturned. Mrs. Vern Reis of Reno was instantly killed in the wreck and Mrs. Hart received minor injuries. Other members of the touring party were Mrs. S. Francovich and little son Sam and Eli Francovich, the latter being at the wheel. News concerning the accident was received in Tonopah last night over the long distance telephone by Mr. Hart.

FRANK E. BELL FILES FOR COMMISSIONER

Frank E. Bell, a native of Nye county and one of the best known and successful ranchers and stockgrowers in southern Nevada, has filed declaration of candidacy for the short term commissionership subject to the will of the democratic voters at the primary election to be held on Tuesday Sept. 5.

Mr. Bell believes that the outside districts should be entitled to representation, and he is certainly well qualified to look after the needs of the people in general. He says he is willing to stand on his record as a citizen and taxpayer. He is the son of ex-Senator T. J. Bell, of Reese River, and in addition to being interested in ranching, stockgrowing and mining, he serves as a director of the Nevada First National bank of Tonopah and frequently visits this town on business matters. His friends are confident of his nomination by reason of his boosting proclivities for good roads, and they are equally confident that he will be elected.

W. F. LOGAN FILES FOR ADMINISTRATOR

William F. Logan, who is associated with Frank J. Cavanaugh, filed his candidacy this morning for the office of public administrator for Nye county. Mr. Logan files as a democrat and goes before the people as a candidate who will fearlessly and conscientiously perform the duties of his office, in the opinion of his friends. He is well equipped for the office to which he aspires, and if elected will no doubt carefully conserve the estates which he may administer.

If you are seeking amusement on Saturday night trip down to Eagles hall and join the crowd of dancers. Jazz music, fine floor and lots of sociability assured. A4-2t

AMUSEMENTS

WILLIAM RUSSELL AT THE BUTLER TODAY

"Strength of the Pines" starring William Russell will be the feature attraction at the Butler today. This photo drama, the latest made by Russell, deals with an timber land speculators and family feud in the virgin forests, a conspiracy to take which in behalf of a lovely girl, Russell as the hero, enters the woodland in defiance of threats against his life. His resultant experiences and hair breadth escapes constitute a drama of unusual strength marked by photographic scenery that is most appealing. The chief aim of the hero is to find a property deed stolen and hidden 20 years before by villains inspired by John Steed. The recovery of this deed forms the big climax to the story and is startlingly impressive. Russell's chief support is Irene Rich. For Future a two reel Mack Sennett comedy that you can't resist laughing at completes the program. Tomorrow, Maisie Kennedy in "The Girl with the Jazz Heart" and that exciting animal picture "Mysteries of the Jungle." Monday the sensation of the motion picture world, Pauline Wren.
