OLD TIME MELODIES WILL BE SUNG HERE

If you want to hear the old time negro melodies sung in the real old negro way you should hear the California Jubilee quartet at the Knights of Pythias auditorium Saturday night at 7:30 o'clock, given under the auspices of the Mizpah lodge No 25. These four gents come heralded as fun specialists and grouch removers. Their repertoire includes plantation melodies, negro folk and jubilee songs, classical selections, humorous numbers and popular airs a varied program to please the most critical. The old melodies naturally hold the center of attraction.

The first tenor is a very clever cartoonist. His original drawings are humorous in the extreme and give plenty of chance for merriment. The second tenor is a guitarist and produces some very pleasing effects when the quartet is singing the old favorites. The baritone is recognized as one of the most accomplished pianists of his race. His group of solos include a difficult number for the left hand. The basso-profundo is an excellent reader, but his strong point is his big deep voice. We all like to hear a basso sing down in the depth and this man goes 'way down there. All are vocal soloists and splendid quartet men with years of experience back of them. This combination of talent makes possible an unusually varied program. Don't fail to hear these Jubilee Jubers Joie.

Tickets on sale at Southworths.

CONRAD KERN DIES AFTER SHORT ILLNESS

Conrad Kern, a resident of Nye county for five years, and Nevada for six years, died at the county hospital this morning at 4:15 from an attack of pneumonia following an illness of three days. Kern was admitted to the hospital on Tuesday and gradually failed until death relieved his sufferings. He was born in Switzerland, but little is known concerning his past life. The last place he was employed was at the Belmont mine. He was 55 years of age and without relatives so far as known. No arrangements for the funeral have been made.

SCHOOL CONTRACT HAS FORFEITURE CLAUSE

The strike of plasterers is still in effect at the new wing to the high school building. The building is practically completed and with the arrival of windows and doors some time next week the same will be placed in position. It was stated this morning that the contract had a forfeiture clause inserted and that upon two precious occasions it was found necessary to threaten to cancel the contract, and that unless the plastering was completed it might be necessary to take drastic action.

SHRINERS NOTICE

FRECKLED-FACED BULL

While on the recent quail shoot to Pahrump, one of the party asked Ed Kirchen if there were many birds in a certain portion of a field in which some cattle were grazing, and in which he had been shooting. "Yes," he replied, "oodles of them, but there is a freckled-faced bull there that shook his head in warlike fashion and tried to get a little bit too friendly for comfort, and I would caution you, if you do go there, to be careful." "What did you do when the bull disputed your right to invade his territory?" he was asked. "Oh, I 'pedaled' it," replied Mr. Kirchen.

AMUSEMENTS

"GRANDMA'S BOY" LAST TIME TODAY

Judging by the way yesterday's audience at the Butler received Harold Lloyd's "Grandma's Boy" exceeds the liveliest expectations for this much discussed and widely heralded film. With its philosophy, romance, exciting clashes, satire on human weakness and its pathos and optimism, "Grandma's Boy," is unlike anything Lloyd has ever done before. Here, in addition to being excruciatingly funny, he shows surprising ability as an emotional player and the fact that he sometimes pulls hard at the tenderest heart strings, gives an idea of the difference of his five-reel effort from all his previous films. The story construction is so clever that the character development is as legitimate as in any serious play. At first one is almost led to expect merly a bucolic drama. Then the fun begins with its satire on the foolish fears that are a part of most human lives, and it is riotous. It will be shown here for the last time today. Tomorrow, Charles Ray in "The Deuce of Spades," and Larry Semon, his latest comedy, "Golf." Monday, Wesley Barry in "School Days."

HUNDREDS PRESENT AT DEDICATION BUILDING

The dedication of the new Knights of Pythias auditorium last night was one of the greatest social events ever witnessed in Tonopah and hundreds of people were present to participate in the dance which started at 9 o'clock. Visitors came from all sections of southern Nevada and there were goodly representations from Goldfield, Round Mountain and Manhattan.

All who partook of the opportunity of visiting the auditorium, which might be aptly termed the civic center of Tonopah, were more than pleased with the attractiveness of the new structure and merriment reigned supreme until a late hour. The evening entertainment passed off without a hitch and a general good time was enjoyed by all who were present.

SCHWAB PARTY LEAVES

The Charles M. Schwab party left here yesterday morning in their special car, Loretta. The first stop was made at Sparks, where Mr. Schwab delivered an address to the citizens. Later he addressed the Reno commercial club, departing one hour later for San Francisco.

MILD WINTER PREDICTED

Pitro Carallo of Goldfield perdicts a mild, open winfer, and to substantiate his prophecy, maintains that ducks and geese have reversed their flight and are now returning to the north. Pietro, who is also a trapper, maintains that coyotes this year have less than the normal quantity of fur next to their hides, another sign whhic he mantains is an assurance of an open winter.
