Democratic and Silver Party Nominees and Platform

Following are the nominees and the platform adopted by the Democratic and Silver parties in convention Sept. 25. The nominees are the best men in the county for their respective places they seek and the platform reiterates the fact that only in the democratic party can officers be found that will serve honestly and justly when elected.

It is recommended to the serious consideration of the voters of Ormsby in the belief that they will repudiate specious arguments of the opposition to induce them to forsake their best interests and vote for other than the nominees mentioned hereunder.

THE NOMINEES

State Senator—H. R. Logan

Assemblyman—Wm. Smyth, Geo. Brown and R. E. Milligan.

Sheriff and Ex-Officio Assessor—Wm. Kinney.

Recorder and Auditor—John Ellis

Clerk and Treasurer—C. H. Gallup

District Attorney and School Superintendent—Passed

Commissioner (long term)—Ed. Regan.

Commissioner (short term)—O. W. Tennant.

Justice of the Peace—Geo. W. Keith.

Constable, (Carson township)—M. Linck.

THE PLATFORM

The following platform was adopted by both conventions and it tells the story in concise language. After the usual preamble, reporting the action of the convention the platform reads as follows:

1. That this convention endorses that peerless statesman and Champion of the Common People, William Jennings Bryan as our standard bearer [illegible]

2. That we endorse the admirable two and [illegible] of our sovereign commonwealth [illegible] Pershing county. [illegible] the wasteful extravagance of the [illegible] republican [illegible] made during the past two years. We pledge the good faith of this party to a careful and [illegible] which will be for the best interests of the 100,000 people and the [illegible] ing [illegible] of Ormsby. [illegible] financial affairs were in such a good condition that they [illegible] to lend the money up for [illegible] high [illegible] a new school building which [illegible] citizens.

4. We heartily endorse and approve the senatorial record of the Hon. Francis G. Newlands. As "Father of the Irrigation Bill" he is entitled to the gratitude of every loyal Nevadan. His broad statesmanship as illustrated in his action on the Railroad Rate Regulation Bill and other measures of great national importance gave Nevada unique distinction in the United State Senate. We pledge our nominee to the state senate to support the nominee of the Democratic Silver caucus for United States Senator in 1908.

5. That we congratulate the people of the country on the continued appreciation in the price of silver, holding that this fact shatters the contention of those traitors to the state who held that the white metal would soon become so plentiful as to render it valueless as money.

That the advance in price has enabled the miners of Nevada to resume many properties which were closed during the time when the republicans hammered down the price of the chief product of the state and closed the United States Mint in this city as a sacrifice to party fealty at the expense of state progress and we ask them in view of the present flourishing condition of the state, if they would not be willing to share in the prosperity which would come to the Commonwealth of Nevada if silver were again restored to its rightful place as a money metal.

5. That we hold all property, whether owned by the rich or poor is alike before the law for the purposes of taxation and should be treated accordingly.

6. That we heartily endorse the able state administration of the fusion party during the past four years and pledge ourselves to support the regular nominees of the Fusion Convention held in Reno, August 29th, and also the regular nominees of this convention, as unity and harmony can alone point the way to victory in November.
