The Board of Trustees of Carson City do ordain:

Section 1. The persons, firms, associations, and corporations, doing such branches of business, and carrying on such trades and professions as hereinafter specified, shall obtain from said city, and pay for the license hereinafter specified.

Section 2. All licenses shall be taken out quarterly, in advance, unless otherwise directed herein, and must be paid for in gold coin when the amount paid exceeds five dollars. All licenses taken out pursuant to the requirements of this ordinance, shall be posted and kept, by the party or parties taking the same, in a conspicuous place, in or about the place of business of such license or licenses; and must be shown to the officer whose duty it is to issue such license, during usual hours of business, on demand.

Section 3. Any person, firm, association, or corporation whose duty it shall be, under the requirements of this ordinance to take out a license, who shall fail so to do at the time required, or within fifteen days thereafter, shall pay, as a penalty for such delay, ten per cent. added to the original amount, and shall be liable to a civil action for the recovery thereof, with costs, and to a criminal action wherein on conviction, he, she or they shall be fined not exceeding one hundred dollars in United States gold coin, and shall pay the costs of the action, for which costs and fine execution may be issued as in civil cases, or shall be imprisoned in the city jail not more than fifty days, or punished by both such fine and imprisonment, as the court shall adjudge.

Section 4. The licenses provided by this ordinance to be procured, shall be printed in appropriate form, and bound in license books with stubs of convenient size; they shall be so printed that on issuance the dates, number, amount, class, business, trade, profession and name or nature of license or licenses may be inserted; and before issuance they shall be signed by the President and Clerk of the Board of Trustees and countersigned by the City Marshal.

Section 5. The City Marshal shall keep in his office a book to be called the "City License Registry," in which he shall enter the names of all parties to whom he issues licenses, the business, trade or profession licensed, the time for which such license holds good, the date of their issuance and expiration, and the amount received therefor, and he shall exhibit such book to the Board of Trustees of said city whenever so required to do.

Section 6. The City Clerk shall keep an accurate account in a suitable book kept by him for that purpose to be called the "City License Book," of all licenses issued to the City Marshal, the number for which issued, and the amount thereof. The City Marshal shall, at the beginning of each quarter, return to the City Clerk all unsold licenses received by him for the last prior quarter, and the City Clerk shall give the City Marshal credit for the same, and with the amount of all moneys paid by the City Marshal into the City Treasury, upon exhibit of proper receipts therefor, which the City Marshal shall take and deliver to the City Clerk, and the City Clerk shall, upon exhibit of the receipts of the City Treasurer for city funds so paid to him, charge the City Treasurer with the amount of moneys so received for. The City Clerk shall submit said "City License Book" to the Board of Trustees, and make all such and detailed statements therefrom when over or upon so to do.

Section 7. It shall be the duty of the City Marshal to report to the City Attorney all parties who have failed to take out licenses as required by this ordinance, so soon as such parties or parties shall have been delinquent thirty days, and thereupon said City Attorney shall forthwith commence civil proceedings to recover the amount of such license money, with ten per cent. thereon, and costs of suit, but such civil proceedings shall not be in lieu of the criminal remedy herein provided for.

Section 8. The City Marshal, and regularly appointed and legally qualified policemen of said city, shall see that the requirements of this ordinance be duly complied with, and whenever any one of them shall make an arrest for any violation thereof, he shall receive, when paid by the arrested party, the sum of five dollars. If the City Marshal or any other officer herein specified shall be wilful failure to perform the duties herein imposed, exclusive loss to the city or any one of money which might and should have been collected, he shall forfeit such sum to said city.
