$500 REWARD

is offered by the manufacturers of Dr. Sage's Catarrh Remedy, for a case of Catarrh in the Head which they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acrid, at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak and watery; there is a ringing in the ears, deafness, hawking or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a "nasal twang"; the breath is offensive; smell and taste are impaired, there is a sense of pain, dizziness, with mental depression, a hacking cough and general debility. These are only a few of the symptoms that are likely to be present in any one case. Thousands of cases annually, without more warning than a cold in the head, run on until the catarrhal poison has fastened upon the lungs, when it quickly assumes the character of consumption and carries off its victim. The disease is now universally recognized as the most loathsome, and by physicians, the most difficult to cure of any known to the medical profession.

Dr. Sage's Catarrh Remedy cures the worst cases of Catarrh, "Cold in the Head," Coryza, and Catarrhal Headache.

For sale by druggists everywhere, 50 cents.

"Untold Agony from Catarrh."

Prof. W. Hawkins, the famous inventor, of Elmira, N. Y., writes: "For many years I suffered untold agony from catarrh. My family physician gave me up as incurable. I purchased Dr. Sage's Catarrh Remedy, and the first bottle made a wonderful change in my condition. I continued its use for a few weeks, and was entirely cured. I attribute my present good health to the use of Dr. Sage's Catarrh Remedy. For the sake of the suffering I will add that I was troubled three months before I took the medicine, but a few weeks after using it I was well, and the cure has been permanent."

"Constantly Hawking and Spitting."

Thomas J. Rountree, Esq., 702 Pine Street, St. Louis, Mo., writes: "I was a sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting. For the last eight months I could not breathe through the nostrils. I threw nothing else could do for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it is the only safe remedy. For catarrh now manifested, and for severely severe cases, it is a marvelous remedy, and a permanent cure."

A Complete Treatise on Catarrh, giving valuable information and testimonials of many cures, with a vial of the remedy, prepaid to any address, on receipt of a new cent postage stamp and address.
